Best Practice I: - JSS Competitive Examination Training Cell

Objective of the Practice: Enhancing competitive abilities and to motivate students for probable career in Government and Corporate Sector.

The Context: - Job sectors in India include areas of the economy providing various professions and career opportunities each requiring a set of skills, specialties and qualifications. Government sector provides a great opportunity for career establishment and growth through competitive examinations conducted by various government departments.

The Practice: - College has established a JSS Competitive Examination Training Cell wherein interested students are enrolled and regular guidance classes and workshops are conducted to enhance their basic language skill, general aptitude, general knowledge and subject skills like basic mathematics, history, geography, which are required in a broader context to appear for exams like UPSC, KPSC, SSC, Railways, Banking and other Civil Service examination. Regular mock and practice exams are conducted to develop IQ, logical and critical thinking and build a strong foundation for a career.

Evidence of Success: - Regular coaching creates awareness about the various career opportunities in the government sector and students appear for different competitive examinations. A good number of students every year appear for exams conducted by UPSC, KPSC, Railway Recruitment Board, and Army recruitments. A few students also appear for bank recruitment. The activities of the cell also create awareness among students about their community and civilian responsibilities and help learners make proper and realistic occupation choices and professional direction

Problems Encountered and Resources required: The success of competitive examination cell lies to a great extent on the quality of teaching faculty who has certain fix financial demands. It is a challenge for the college to build financial resources to mobilize the activities of the cell. Regularity of the students is another challenge. Due to constraints of academic calendar sometimes students face difficulties to attend the classes regularly.

Title of the Practice 2: JSS Radio 91.2 FM

Objectives of the Practice

- ➤ To promote Community Radio as a tool for the empowerment, national integration, community health education, peace and harmony, agriculture, development and inclusive growth by disseminating information amongst youth, women, physically challenged and weaker section of the society.
- > To provide better communities through health education with the use of latest technologies, innovations and research methodologies.
- > To develop a pool of experts and provide advisory services in the field of education, health etc, for the benefit of different sections of the society.
- ➤ To campaign and create awareness regarding National Health Programmes like, Pulse Polio Programme, National Oral Health Programme, National Programme for Control of Blindness & Visual Impairment, Prevention, Control of Communicable and Noncommunicable diseases.
- > To provide education in various fields, including value and spiritual education, yoga, meditation etc.
- To educate people and to work for the eradication of moral and social evils of all kinds.
- > To create awareness relating to the preservation of the Environment/Ecology and Sustainability Development. (SD)

The Context

- 1. To develop a pool of experts and provide advisory services in the field of education, health etc, for the benefit of different sections of the society.
- 2. To Campaign and Create awareness regarding National Health programs, Create awareness relating to the preservation of the Environment/ Ecology and Sustainability Development,
- 3. To promote and motivate rural education.

The Practice

Community Radio broadcast with the objective of serving the community in the area of National Health Programmes, social development programmes, education, culture, heritage, and other awareness programmes by involving members of the community.

The Ministry of Information and Broadcasting invited applications through a national advertisement. In respect to this, the proposal was prepared and submitted. After all clearance frequency allocation was made. After the approval of Information and Broadcasting Ministry of Govt. of India, the JSS Community Radio Centre was established in the college campus.

With the divine blessings of His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji the JSS Radio 91.2 FM was inaugurated by Dr. L. Murugan, the Minister of State for Fishery, Animal Husbandry, Dairy and Information and Broadcasting, Govt. of India on 29 August 2021.

Programme broadcasting time: Every day from 7 am to 8 am & 4 pm to 5 pm

Evidence of Success

Radio is a very important tool for the promotional and educational components of National programmes, rural education. In India, radio reaches a large audience, and those shows which are well-targeted, researched, pre-tested, and adequately placed in the broadcast schedule become attractive, competitive and cost-effective ways to communicate new and time-tested advice.

The list of programmes broadcasted like on Covid 19 pandemic, Tuberculosis, HIV and AIDS, quit tobacco usage, alcohol de-addiction, blood donation, H1N1,Mother & Child Nutrition, School Health Programme, Prevention and Control of Communicable and Non-communicable diseases, Safe Water drinking etc.

The Radio has been getting overwhelming appreciative responses from its honorable listeners through letters and phone calls and mobile messages. Motivated by the talks, people volunteered and participated in the blood donation camps. During Covid-19 pandemic stress related mental health issues were addressed and counseled. According to the staff of JSS Radio 91.2 FM, listeners are so much inspired by the programmes that they have been coming out with requests for more programmes related to issues like promotion of health education, agricultural, rural education, environmental issues etc.

Problems Encountered and Resources Required

The biggest challenge today for community radio in India is mobilization of material and human resources for effectively installing, running and maintaining the studio, station and for delivering valuable, useful and necessary programmes. The Government has come forward to allow limited commercial advertisements which probably may help to some extent. The status of press media should be accorded to community radios for effective participation in welfare activities.

Any other information

This kind of research explains radio listening culture is still alive and how the Community Radio is needed for the integrated development of society. Central and State governments have to give more advertisement and sponsored programmes and thereby financial support in order to strengthen the Community Radio stations.
