On the eve of Centenary Celebration of His Holiness Dr. Shri Shivarathri Rajendra Mahaswamiji, a State Level Science Exhibition with the theme, '**Science and Village**' has been organized for three days at JSS College, B N Road, Mysuru from 20.08.2016 to 22.08.2016. The Valedictory of the event was started with the invocation song by Keerthana. The College Principal, Prof. M Mahadevappa, welcomed the guests.

Prof B Gowramma, Regional Joint Director, Collegiate Department, Mysuru, in her Presidential address spoke about the importance of knowledge for the success in life and further added that lack of proper knowledge in different branches of Science never leads to all-round development of the personality. She further emphasized the need to know how our ancestors acquired the knowledge of Science through various experiments.

The Chief Guest, Prof S Srikantaswamy, Director, College Development Council, University of Mysore, Mysuru, opined that there is a need to be aware of environmental disasters and importance of measures to be taken, though our culture inherently has such measures, being very busy in our daily life, we are least bothered with them and he emphasized the need to be cautious for the welfare of our future generations.
