

REPORT OF
UGC SPONSORED FIVE DAY STATE LEVEL WORKSHOP ON
LEARNING MANAGEMENT SYSTEM (LMS)

Date: 19 – 23 May 2022

A UGC Sponsored Five Day State Level Workshop on Learning Management System (LMS) was organized by the College under the Banner of IQAC from 19 to May 2022. The objective of the workshop was to train the trainers on LMS. The Workshop was inaugurated by Dr. Vimal Jerald, Assistant Professor of Computer Science, St. Joseph's College, Trichy. The Chief Executive Prof. B.V. Sambashivaiah was the president and the Principal Prof. M.P. Vijayendra Kumar was the Guest of Honour of the inaugural programme. There were 50 teachers and 100 students present in the programme.

After the inaugural programme, the resource person, Dr. Vimal Jerald, who was the Master Trainer trained the faculty of different colleges from Mysuru, Kollegala, Chamarajanagara and Nanjanagudu on meaning, features, importance and application of LMS for teaching institutes.

In five days, the teachers were given the training on designing and developing e-content, creation of Course Design Module, accessing and customizing MOODLE as LMS platform and its usage.

The performance of the teachers was under keen observation by the College on every day and felt that there was active learning took place.

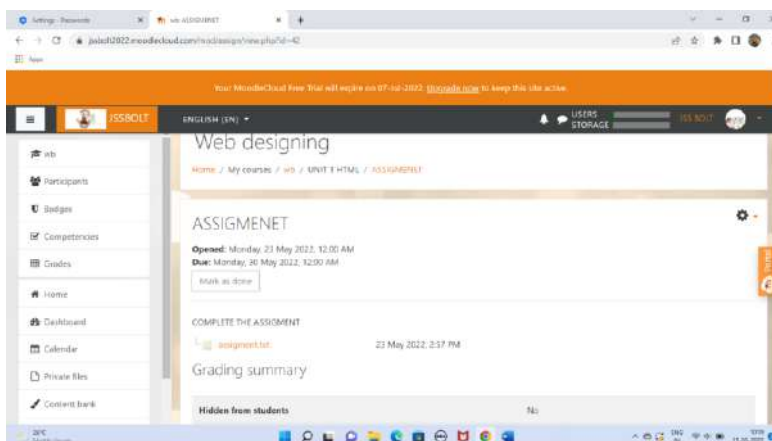

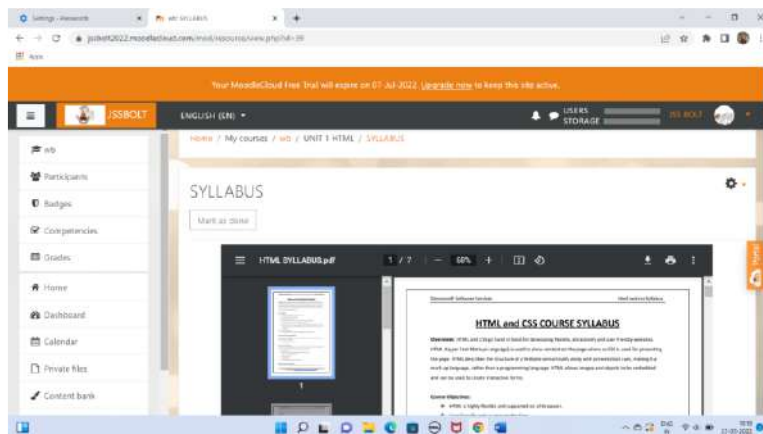

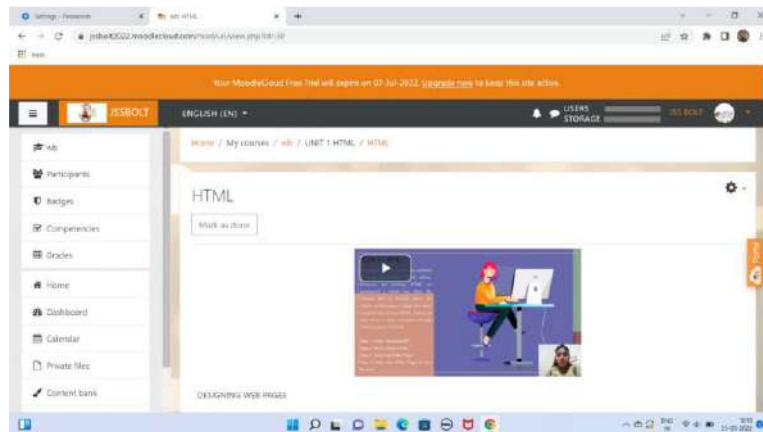

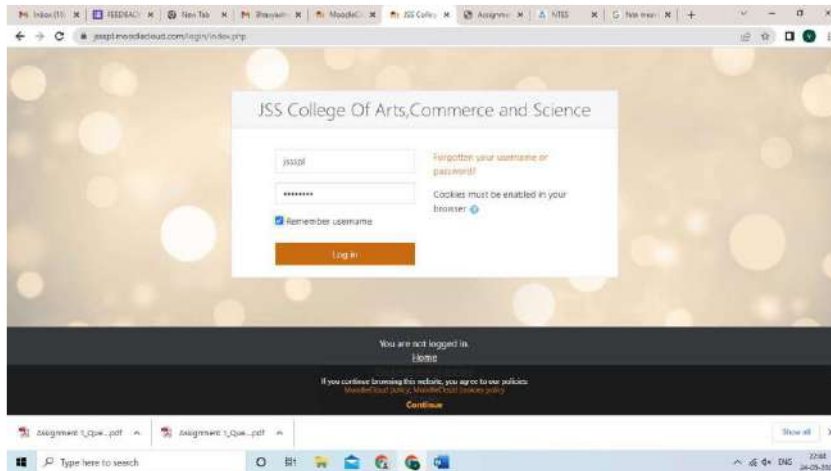

At this stage, 27 teachers are ready with LMS knowledge and they will be utilized to train the rest of teachers of the institutes batch-wise. With the provision of either own Server or Cloud based Server by the respective institute, these trainers can give the training to develop and launch in-house LMS of respective institutes.

The Feedback was obtained and analysed. The response from the learners was highly satisfactory. The screen shots of model LMS developed by the participants during the workshop/training are given below.

IQAC REPORT

UGC Sponsored State Level One Day Orientation and Retraining Programme for Teachers

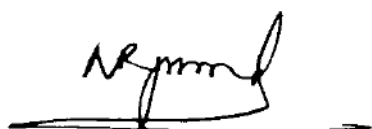

Date: 14-01-2022

Prof.N.S.Harinarayana, DOS in Library & Information Science, University of Mysore, inaugurated the programme and said that the intention of the New Education Policy is to increase the quantitative analysis of the students hence we need to quantify the education system with benchmarking our activities. In his inaugural speech he said that centuries ago India was a dominating country especially in the field of education and today we have to bring back that lost glory. To train and orient teachers to the new teaching methodology is a unique attempt made by the institution in this regard. The quality and excellence in higher education can be enhanced if we work in unison. In the recent years literacy rate in India has increased and she is moving faster in the world of economy. National Education Policy was introduced with the intention of increasing GDP. Outcome based education is the need of the hour for which the teachers have to enhance their skills and retrain themselves with innovative teaching methodologies.

At the beginning of the inaugural session, Prof.B.V.Sambashivaiah, Chief Executive of the college, provided detailed conceptual information to the faculty members about the intention organising this program. The intention of today's program is to boost the confidence, self competency and technical skills of the faculty. He felt that its important to strengthen higher education institutions to increase GDP. In this regard outcome based education and micro teaching helps the faculty to improve their teaching skills. NEP 2020 is designed to meet the required demands of the education for which we have to equip ourselves with skills needed to meet the demands of outcome based education.

Dr.H.C.Honnappa, Principal, welcomed and introduced the honourable guests to the gathering. Dr.N.Rajendraprasad, Assistant Professor of Chemistry and IQAC coordinator compered and proposed vote of thanks. And Ms.M.S.Sushmitha, MSc (Chemistry), rendered invocation.

The inaugural program was followed by three technical sessions. In the first session, Prof.S.Ramaa (Retd.), department of Education, RIE,Mysuru, spoke about "Teaching Methodology: recent trends". Prof.T.V.Latha, Associate Professor, Dept. of Electronics, was the moderator. In the second session, Ms.Jayashree, IT Consultant, Career Hub, UoM, spoke about "Skilling for Future". Dr.M.Poornima, Associate Professor, Dept. of English. In the third session, Prof.A.Balasubramanian (Retd.), DoS in Earth Science, University of Mysore, spoke about "Outcome Based Education". About 150 teachers from the state have been taken part in the event.

Organized by IQAC

Duration: 13 to 18 March 2023

JSS College of Arts, Commerce and Science, conducted a Six-day Faculty Development Program (FDP) on Outcome-Based Education (OBE): Implementation and Best Practices. The program, organized by the Internal Quality Assurance Cell (IQAC), aimed to equip faculty members with the essential knowledge and skills for the effective delivering and execution of Outcome-Based Education.

The Chief Executive Prof. B.V. Sambashivaiah, in his Inaugural Address, emphasized the paramount importance and significance of implementing Outcome-Based Education in higher education institutions. He threw light about how OBE can shape the future of education by focusing on learning outcomes and student-centric approaches.

Principal Prof. M.P. Vijayendra Kumar, during his address, highlighted the urgency and necessity for educators to stay updated about the current requirements of the evolving education systems. He stressed the importance of adapting teaching methodologies to meet contemporary educational needs.

Dr. L. Vinay Kumar, the Organizing Secretary, expressed gratitude to the dignitaries, participants, and organizers, making the FDP a resounding success. Dr. L. Vinay Kumar also served as the moderator throughout the program, ensuring the smooth flow of sessions and encouraging active participation.

There were topics delivered on OBE by different resource persons. The Faculty Development Program (FDP) at JSS College of Arts, Commerce, and Science delved into crucial aspects surrounding Outcome-Based Education (OBE), offering participants a comprehensive understanding of its background, importance, and perspectives. Dr. Suhas elucidated on the best practices in teaching for effective learning within the OBE platform, emphasizing the need for innovative teaching methodologies to align with OBE principles. The session by Dr. Shivaprasad K from Matha Amritha Vidyalayam centered on Bloom's Taxonomy and its pivotal role in OBE institutions. Dr. Shivaprasad underscored how Bloom's Taxonomy provides a structured framework for creating learning objectives and aligning them with desired outcomes.

The discourse on assessment methods, strategies, and outcomes, facilitated an in-depth exploration into the multifaceted world of evaluation in OBE. Participants gained insights into the nuanced processes of assessment, evaluation, and the tangible outcomes achieved through

these methodologies. Furthermore, the session on indirect assessment, led by an expert in the field, shed light on the intricate processes involved in measuring outcomes indirectly, offering a holistic view of the educational landscape.

In the concluding remarks, Dr. Rajendraprasad, the coordinator of IQAC, synthesized the wealth of knowledge disseminated throughout the FDP. He highlighted the significance of implementing OBE practices in academic institutions, fostering a culture of continuous improvement and aligning educational methodologies with evolving global standards. The FDP, by covering diverse perspectives, provided a solid foundation for faculty members to enhance their pedagogical approaches, ultimately contributing to the overall academic excellence of the institution.

The FDP benefitted more than 13 faculty members from and off the college.

Blessings from His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji

We are happy to know that the Internal Quality Assurance Cell (IQAC) of JSS College of Arts, Commerce and Science, Ooty Road, Mysuru is organizing a **NAAC Sponsored Online Two Day National Level Conference on “Teaching, Learning and Evaluation Methods: Traditional to Blended Approaches”** on 11 and 12 July 2022. This Conference aims to bring together the learned experts, faculty, researchers and students to disseminate various teaching methods being practised for creating better learning environment in Higher Education Institutions (HEIs).

The 21st Century education system is projecting to provide quality education with competent add-ons without restrictions for learning any of the subjects. It is an innate responsibility of HEIs to serve the needs by providing education to meet global requirement. The combination of traditional and technology mediated interface will be of present day need for delivering the knowledge. The teachers have to be updated and upgraded without any hesitation for required smart technical skills to teach the subject domain.

In this perspective, it is more relevant to create a platform to share the present-day demands, requirements and skills for better serving the education to the learning society. Let this conference sow the knowledge related to different teaching methods right from conventional to blended modes for effective and active learning by students. There is a scope for learners to view the thoughts on different evaluation methods too.

My best wishes for all.

Sri Shivarathri Deshikendra Mahaswamiji

President, JSS Mahavidyapeetha

Organized by

Internal Quality Assurance Cell (IQAC), JSS College of Arts, Commerce and Science (Autonomous)

Message from the Executive Secretary, JSS Mahavidyapeetha

It is indeed a great pleasure and pride for me to disclose welcome note for a thought provoking “**NAAC Sponsored Online Two Day National Level Conference on Teaching, Learning and Evaluation Methods: Traditional to Blended Approaches**” organized by the Internal Quality Assurance Cell (IQAC) of the JSS College of Arts, Commerce and Science, Ooty Road, Mysuru. The topics of this conference focus more on different components of teaching, learning and evaluation. The present-day education system has been transformed from traditional to blended modes in order to bring significant developments in creating active learning atmosphere for everyone without divide. In this direction, these types of programmes are very enthusiastic and need to be organized more frequently.

I congratulate the JSS College of Arts, Commerce and Science, and its IQAC for their initiative in organizing this National Conference.

My best wishes for the Conference.

Dr. C.G. Betsurmath

Executive Secretary
JSS Mahavidyapeetha, Mysuru

**Message from The Director,
College Education Division, JSS Mahavidyapeetha**

The NAAC Sponsored Online Two Day National Level Conference on “Teaching, Learning and Evaluation Methods: Traditional to Blended Approaches” organized by the IQAC of JSS College of Arts, Commerce and Science is indeed a right theme chosen for the event which I am sure gives ample opportunities to all those enthusiastic participants to be enlightened in the thrust areas. The college has done a praiseworthy job in organising such a wonderful conference in order to give something tangible and best to the teaching fraternity.

I wish all the best for the Conference.

Prof. R. Mughshappa
Director, College Education Division
JSS Mahavidyapeetha, Mysuru

Message from the Chief Executive

It gives me great pleasure to welcome you all to the “**NAAC Sponsored Online Two Day National Level Conference on Teaching, Learning and Evaluation Methods: Traditional to Blended Approaches**” organized by the Internal Quality Assurance Cell of the college. This Conference will provide a prestigious platform by bringing the experts, faculty, researchers and students together in the virtual mode from different parts of the Country to exchange their experienced knowledge and expertise issues relating to the niche areas of teaching, learning and evaluation methods.

I hope that this conference will act as a medium for all of us to ponder upon the topic of discussion, challenge us to strive towards it and inspire us at the same time. Thank you!

With regards,

Prof. B.V. Sambashivaiah
Chief Executive

Message from the Principal

I am delighted in acknowledging the “**NAAC Sponsored Online Two Day National Level Conference on Teaching, Learning and Evaluation Methods: Traditional to Blended Approaches**” organized by the Internal Quality Assurance Cell of the college.

I appreciate the organizing committee for showing a keen interest in organizing a successful Conference and contributing new ideas and research findings in the thrust areas or themes of this conference. I wish them for their endeavours to spread knowledge on various dimensions of teaching, learning and evaluation approach.

Prof. M.P. Vijayendra Kumar
Principal

Message from the Organizing Committee

I would like to personally welcome each of the participant to the “**NAAC Sponsored Online Two Day National Level Conference on Teaching, Learning and Evaluation Methods: Traditional to Blended Approaches**” organized by the Internal Quality Assurance Cell of the college. It is an exciting time for academicians and researchers in the thrust areas of the themes of the conference, as it is expected to disseminate and adapt the best teaching methods including traditional to blended modes. I would like to thank each of you for attending this most valuable conference. You, as either teachers or researcher or even as student, have the vision, the knowledge, the resources and the experience to help us pave our way into the future activities. Throughout this conference, I request you to stay engaged, keep us proactive and help us bringing out more such events in future.

Our respectful Pranams to His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, who is the guiding spirit and who always blessing us for everything. My sincere thanks to NAAC for sponsoring this conference with financial assistance. I sincerely thank JSS Mahavidyapeetha for facilitating the amiability of everything. On behalf of the college, the organizing committee and of my own, we offer grateful thanks to all the resource persons of this conference, who are the knowledge Sowers. My gratitude to the Chief Executive and Principal of the college for encouraging us to organize this conference. I thank each of the teaching and supporting staff members of our college who shouldered the responsibilities in an impressive manner. My personal admiration and gratitude go out to all of you for significant contributions to the grand success of this conference.

Dr. N. Rajendraprasad
IQAC Coordinator
Organizing Secretary

ABOUT JSS MAHAVIDYAPEETHA

JSS Mahavidyapeetha (JSSMVP), a socio-cultural institution, founded by His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji, the 23rd Pontiff of Sri Veerasimhasana Mahasamsthana Math, Suttur in 1954 with the objective to make revolution in education and health care fields for reformation of the social changes. While the focus has been on providing opportunities for formal education, there is a strong parallel thrust on values, ethics and the meeting of societal obligations. The institution adopts a multipronged approach to ensure a better quality of life. Through its over 300 varied institutions, it not only provides learning to around 100000 students but also touches the lives of millions through a cascading effect. The present Pontiff His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the 24th spiritual Head of Suttur Math and President of JSS Mahavidyapeetha has been the torch bearer of its tradition of providing educational excellence, health care and nurturing rural development for the economic upliftment of the society.

ABOUT NAAC

India has one of the largest and diverse education systems in the world. Privatization, widespread expansion, increased autonomy and introduction of Programmes in new and emerging areas have improved access to higher education. At the same time, it has also led to widespread concern on the quality and relevance of the higher education. To address these concerns, the National Policy on Education (NPE, 1986) and the Programme of Action (PoA, 1992) spelt out strategic plans for the policies, advocated the establishment of an independent National accreditation agency. Consequently, the National Assessment and Accreditation Council (NAAC) was established in 1994 as an autonomous institution of the University Grants Commission (UGC) with its Head Quarter in Bengaluru. The mandate of NAAC is to make quality assurance an integral part of the functioning of Higher Education Institutions (HEIs).

ABOUT THE COLLEGE

The first College established in 1964 by JSS MVP, is a multi-faculty, co-educational, autonomous (under University of Mysore), re-accredited by NAAC with 'A' Grade (4th Cycle, CGPA: 3.21) and recognised as College with Potential for Excellence by UGC. Deen Dayal Upadhyaya Kaushal Kendra and Kaushalya Karnataka schemes have been sanctioned to the college by UGC and GoK respectively. The College has been recognized as 'Research Centre' by University of Mysore to undertake doctoral and research studies in nine subjects. The College is hosting 'JSS Radio', a Community Radio Station sanctioned by Ministry of Information & Broadcasting, Govt. of India. The College is known to provide need-based, skill integrated, cost-effective, quality and holistic education, transforming the students into globally competitive, employable and responsible citizens. The College offers a total of 56 programmes, viz., BSc, BA, BCom, BCA, BBA, BVoc, MSc (Physics, Chemistry, Mathematics, Computer Science, Biotechnology, Biochemistry, Botany, Zoology), MCom, MA (English, Kannada), MSW, MVoc (Food Processing & Engineering, Software Development and Animation & Visual Effects), MCA and PhD (Kannada, English, Social Work, Commerce, Biotechnology, Biochemistry, Physics, Chemistry, Mathematics). Besides, there are a number of COCs and PG Diploma programmes.

ABOUT THE CONFERENCE

Over the years, there has been a visible change in teaching styles. Opposite to the memorization and same old recitation practice to teach the students, now with modern teaching methods, interactive methods of teaching have been introduced, and its result can be seen. This is an education reform which provides an entirely different angle of teaching and learning because modern teaching methods do not treat all students at the same level of their understanding ability, unlike the conventional method of teaching. Rather than the only teacher-based, modern teaching methods focus more on questioning, demonstration, explaining, practical, collaboration methods, and are more activity-based. On the other end, viz, the evaluation process is totally transforming from conventional ways to outcome-based, direct & indirect modes of assessments. In this direction this conference will be a proper platform to deliver the needs for the present day education in Higher Education Institutions.

Themes of the Conference

To create a platform to discuss:

- Importance of ICT in teaching
- Best practices in delivering knowledge with modern skills
- Smart teaching for better learning
- Learning Management System (LMS) for smart sharing of knowledge, assessment and evaluation
- Blended education: Advantages for present day learners

Sub-themes

- Outcome-based education; Rubrics; e-Content development
- Methods of assessment including various online modes

Target Group

Teachers, Research Scholars and Students

Call for papers

Papers are invited for both oral and e-poster presentations. The presenters shall submit a paper on any of the prescribed themes or sub-themes. The word document of the abstract of the paper as per the template (available in Google Form) may be sent by e-mail. After the review the acceptance will be intimated to the authors. The presentation will be for 10 minutes followed by 3 minutes discussion.

General Instructions

- Free registration for all
- Best paper presenters will be honored with e-Certificate
- The programme will be in online mode (Zoom platform). The link will be provided to the participants through registered e-mail only
- E-Certificates will be issued only to those participants who attend the programme in full and submit feedback forms of every session
