**FROM THE PRINCIPAL'S DESK:**

At the outset, I offer my respectful pranams at the holy feet of Jagadguru Dr. Sri. Shivarathri Rajendra Mahaswamiji, the Founder of JSS Mahavidyapeetha, Mysuru. I submit my humble pranams to His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the Present President of JSS Mahavidyapeetha.

JSS College of Arts, Commerce and Science established in 1964 has kept ever alive the endeavors to bring to fruition the dreams of its founder Jagadguru Dr. Sri. Shivarathri Rajendra Mahaswamiji, who dedicated his entire life in preaching and practicing the ideal "Work is Worship".

The present Pontiff, 24<sup>th</sup> Spiritual Head of Suttur Math, the President of JSS Mahavidyapeetha has been the torch bearer of its tradition of providing educational excellence and has set high standards for all of us in academic, religious and moral spheres. To achieve these standards, JSS Mahavidyapeetha has taken a lead in spreading literacy and learning to produce excellent human resource.

Our college is always in frontline in providing opportunities for curricular, co-curricular and extra-curricular activities to facilitate the overall development of the students. The College was conferred with autonomous status by UGC in 2005 and was re-accredited by NAAC with 'A' grade both in 2008, 2014 and 2019.

In the academic year 2019-20, the College has organized number of seminars, conferences, workshops and special lectures at different levels. There has been good involvement in sharing knowledge by our teaching staff members through publication of research outcomes and development activities. Extra-curricular and Co-curricular activities were also given equal importance throughout the year. The semester examination results in both undergraduate and postgraduate programmes have been very good and placement records stand as testimony to the dedicated efforts of the College team.

As documentation acts as witness for achievements, the compilation of activities in the form of Academic Report is taken place.

I congratulate Dr. Kumudini Achchi and her team for their hard and honest efforts in bringing this report in an excellent manner.

**Editorial:**

Academic Report 2019-20 is a humble honest portrait to showcase the activities of the current year. It has been a pleasurable task to present the Academic Report of the year. The report highlights the contributions and achievements of teachers as well as students in attaining academic excellence.

The compilation of academic activities for the year focuses on talent identification, utilization and retention through motivating teaching, non-teaching staff members and students. To achieve the same, documentation can be viewed as a tool and also a platform for finding the scope for betterment and improved professional contributions.

For successful achievement of the college objectives, 28 committees were formed by the college. During 2019-20, college has conducted 01 workshop, 6 seminar, 01 conference, 13 special lectures, 03 awareness programmes, 03 extension activities, 04 educational tours, and a good number of cultural and sports events. Our teachers are working on 01 major research project. They have also published 27 research papers in recognised journals. 36 research papers were presented, out of which 2 were at state level, 24 at national level and 10 at International level seminars/conferences/workshops in different places throughout India. 03 different books have been authored by our teachers. The performance in the field of research has come down comparing to previous year which may be because of decreased funding opportunities and the varied guidelines of UGC regarding the publication of research papers. Further, pandemic situation might have also influenced the performance of the teachers during the period. We are proud to acknowledge that 14 teachers have been recognized as research guides for Ph D programmes. 04 teachers are serving in Editorial Boards of various Regional, National and International Journals. Our teachers have actively participated in 04 seminars/workshops/conferences conducted by our Institution and have also participated in 29 various academic events conducted by other Institutions. Apart from these, 08 teachers have achieved academic excellence through award of Ph D degree to scholars under their guidance, attending Orientation / Refresher /Faculty Development courses, completing Swaym – MOOC course, award of Ph.D degree, qualifying NET exams and serving as resource person in various platforms as well as in various committees as members.

All these achievements were possible only because of the divine blessings of His Holiness Jagadguru Sri. Shivarathri Deshikendra Mahaswamiji, the whole hearted support and co-operation from JSS Mahavidyapeetha and continuous motivation from the college authorities and sincere efforts of the staff members and students. I thank our respected Chief Executive of the Campus Prof. B V Sambashivaiah, Principal Prof. M Mahadevappa for their valuable and timely guidance in preparing the report.
