FROM THE PRINCIPAL'S DESK:

At the outset, I offer my respectful pranams at the holy feet of Jagadguru Dr. Sri. Shivarathri Rajendra Mahaswamiji, the Founder of JSS Mahavidyapeetha, Mysuru. I submit my humble pranams to His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the Present President of JSS Mahavidyapeetha.

JSS College of Arts, Commerce and Science established in 1964 has kept ever alive the endeavours to bring to fruition the dreams of its founder Jagadguru Dr. Sri. Shivarathri Rajendra Mahaswamiji, who dedicated his entire life in preaching and practicing the ideal “Work is Worship”.

The present Pontiff, 24th Spiritual Head of Suttur Math, the President of JSS Mahavidyapeetha His Holiness Sri Sri Shivarathri Deshikendra Mahaswamiji has been the torch bearer of its tradition of providing educational excellence and has set high standards for all of us in academic, religious and moral spheres. To achieve these standards, JSS Mahavidyapeetha has taken a lead in spreading literacy and learning to produce excellent human resource.

Our college is always in frontline in providing opportunities for curricular, co-curricular and extra-curricular activities to facilitate overall development of the students. The College was conferred with autonomous status by UGC in 2005 and was re-accredited by NAAC with ‘A’ grade both in 2008 and 2014 and we are preparing for the assessment of fourth cycle by May-June 2019.

In the academic year 2018-19, the College has organized a good number of academic events such as seminars, conferences, workshops and special lectures at different levels. There has been good involvement in sharing knowledge by our teaching staff members through publication of research outcomes and development activities. Extra-curricular and Co-curricular activities were also given equal importance throughout the year. The semester examination results in both undergraduate and postgraduate programmes have been very good and placement records stand as testimony to the dedicated efforts of the College team.

As documentation acts as witness for achievements, it becomes our prime responsibility to do it with all commitment. Hence this is our effort to compile the activities in the form of Academic Report.

I congratulate Dr. Kumudini Achchi and her team for their hard and honest efforts in bringing this report in an excellent manner.

Prof. M Mahadevappa
Principal

Editorial:

Documentation being highly technical witness of the activities carried out in any institution reflecting on its qualitative and quantitative commitment, a humble and honest effort has been made to present the activities of the college for the current academic year, through this Academic Report 2018-19. It has been a pleasurable task to present the Academic Report which highlights the contributions and achievements of teachers as well as students in attaining academic excellence. The whole process of compilation of the Academic Report serves the intention of not only documentation but also motivates the teaching, non-teaching staff members and students.

Towards successful achievement of the vision, mission and objectives of the college, 28 committees were formed by the college. During 2018-19, college has conducted 02 workshops, 07 seminars, 01 conference, 19 special lectures, 01 extension activity, 08 orientation visits, 01 training programme, 13 educational tours and a good number of cultural and sports events. Our teachers are working on 03 major research projects. They have also published 58 research articles out of which 35 are in International and 23 are in National journals. 29 research papers were presented, out of which 7 were at state level, 14 at national level and 8 at International level seminars/conferences/workshops in different places throughout India. 03 different books have been authored by our teachers. We are proud to acknowledge that 12 teachers have been recognized as research guides for Ph D programmes. It is our proud acknowledgement that the Research Centers of the College have started producing Ph D awardees and two scholars from Social Work Department have been awarded Ph D degree during this year. 8 teachers are serving in Editorial Boards of various Regional, National and International Journals and also have actively participated in 06 seminars/workshops/conferences conducted by our institution and in 39 various academic events conducted by other institutions. Apart from these, 8 teachers have achieved academic excellence by serving as resource persons in various platforms and by attending Orientation Programmes as well as Refresher courses.

All these achievements were possible only because of the divine blessings of His Holiness Jagadguru Sri. Shivarathri Deshikendra Mahaswamiji, the whole hearted support and co-operation from JSS Mahavidyapeetha and continuous motivation from the college authorities and sincere efforts of the staff members and students. I thank our respected Chief Executive of the Campus Prof. B V Sambashivaiah, Principal Prof. M Mahadevappa for their valuable and timely guidance in preparing the report.

ABOUT THE COLLEGE:

JSS College of Arts, Commerce and Science, BN Road, Mysuru which started in 1964, is among more than 350 institutions run by JSS Mahavidyapeetha. The autonomous status was accorded in 2005. It is re-accredited by NAAC with "A" Grade (III Cycle). UGC has recognized the college as 'College with Potential for Excellence'. The college has Biotechnology Skill Enhancement Programme (BiSEP) sanctioned by the Government of Karnataka. UGC has sanctioned Deen Dayal Upadhyay KAUSHAL Kendra to the college to run skill integrated programmes. As college completed its 50, 2015-16 was celebrated as the year of Golden Jubilee.

The College is situated on a sprawling 7.08 acres plot with a spacious building and a women's hostel in a picturesque surrounding at the foot of Chamundi Hills. The third floor added to the existing building created additional space to meet the growing need of the college. The women's hostel has been extended to accommodate 277 students. The college has excellent infrastructure required for the pursuit of academic excellence. Because of its multifaceted growth, the college has won encomium from all corners. Apart from Science, Arts and Commerce courses, the institution offers inter-disciplinary courses in Business Management, Animation, Electronics, Computer Science, Computer Maintenance, Instrumentation, Biochemistry, Biotechnology and Microbiology. At present the college is offering 26 Academic Programmes including 07 UG, 14 PG and 09 Ph D Programmes.

The college has highly qualified and dedicated teaching & non teaching staff. Nearly 3163 students, including foreign students and research scholars, are pursuing education in various disciplines. It has an enviable academic record as students secure ranks and honours almost every year in the examination. Many Alumni of the College are successful litterateurs, politicians, administrators and bureaucrats. They are still nostalgic and maintain emotional attachment with the institution. The college also has a conducive atmosphere for sports and cultural activities. It has a well maintained sports field and well equipped national level Basketball Court. Students have brought laurels to the college in Sports, Debate, Drama and Music at Inter-College, University, State, National and International levels competitions. The volunteers of NCC & NSS units have participated in state and national level camps and Republic Day Parades. Besides Youth Red Cross Unit, a number of student centric clubs are also functioning.

The college has successfully organized National and State Level Seminars, Workshops and Symposia. Curriculum development and examination reforms are being implemented on a continuous basis. From the academic year 2010-11, CBCS and CAGP has been introduced for PG programmes from 2012-13, and for UG Programmes in the year 2017-18. Under the Spiritual guidance of His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the College is desirous of scaling new heights in the days to come. The entire spectrum of management, staff and students are committed to put in their best to make this dream come true.
