Its really a good session and very informative

Excellent Sessions

Thanks to the Wonderful Resource Persons and Organising Team Members.

The session was really helpful. It would be for all the teachers to enhance their skills in online teaching. Thank you.

Wonderful and very informative webinar thaku for organiser

Good attempts made by the organisers to conduct this webinar at the right time. Thank u so much

Instead of having four sessions in a day, better to have one / two sessions in a day. Needs better time management. to have one / two seesins

Mysore(University) has often often produced wonderful resource persons.. Honestly I am surprised to witness your selection of guest speakers today (with due respect to the elder teachers, whose expertise in ICT/OER itself is very average). Going by the big names with mind blowing bio data is no guarantee for quality.. Anyway I appreciate your initiative..

Voice should be muted when guest's are talking

EXPECTING MORE AND MORE GUIDENCE LIKE THIS IN FUTURE

Some network issue

yes it is needed for improvement of API of faculty fraternity

Good and Useful one

Nothing to suggest

It was informative

It would be very beneficial, if you conduct this kind of webinars often.

Conduct More webinars

Lot of Network issue and Time management

Overall fine

Overall the webinar is good and it is most needed for us during this panademic. Thank you team
