

JSS College of Arts,, Commerce and Science, Ooty Road, Mysuru
PG Department of Physics
2019-20

Report on Alumni Engagement and Support for Departmental Activities

This report highlights the support provided by alumni to the students of the PG Department of Physics at JSS College of Arts, Commerce and Science, Ooty Road, Mysuru. The alumni have contributed significantly by participating in departmental activities, offering training on soft skills, referring students for industry jobs, and planning visits to the college. Their involvement has been instrumental in enhancing the educational and professional development of current students.

Alumni Support for Departmental Activities

1. Departmental Alumni Meet

The alumni have actively supported the organization of the departmental alumni meet. They help in organizing Alumni committee to help plan and execute the event. Several alumni have volunteered to speak at the event, sharing their experiences and providing valuable insights to current students. Alumni have facilitated networking sessions, enabling students to connect with industry professionals and gain exposure to various career paths.

2. Short Training on Soft Skills

Recognizing the importance of soft skills in professional development, the alumni have conducted short training sessions for students. These sessions cover a range of topics, including: communication Skills, Fostering effective teamwork and collaboration skills, developing leadership qualities and management techniques. Teaching strategies for effective time management and productivity.

3. Referring Students for Industry Jobs

Alumni have played a crucial role in referring students for job opportunities in the industry. They share personalized feedback on resumes and conducting mock interviews to prepare students for job applications. Leveraging their professional networks to connect students with potential employers. They are very happy to refer qualified students for internships and job openings within their organizations.

Alumni Visits to the College

To maintain strong connections with the university and to offer continuous support to students, alumni have planned regular visits to the college. Below is a schedule of visits planned for the upcoming academic year:

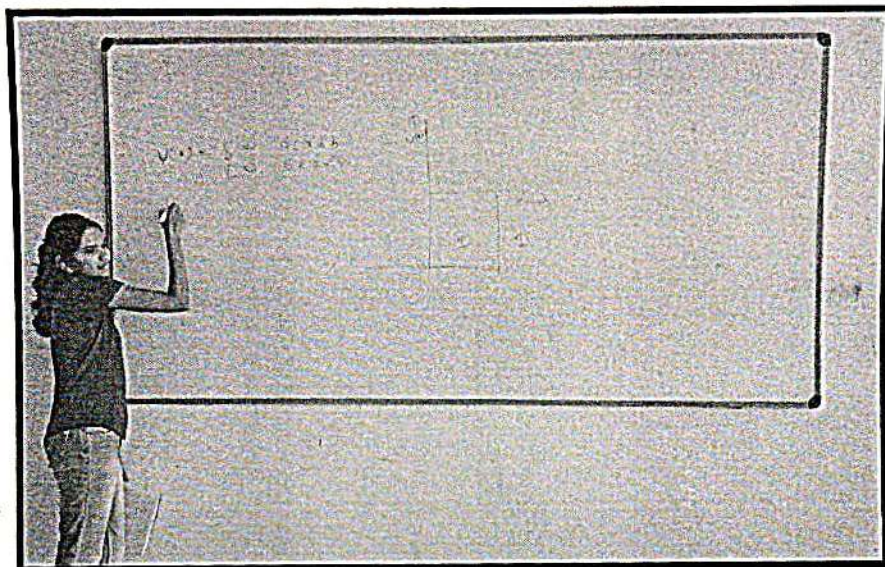

Visit Schedule

1. First Semester:

- Alumni Name: Kum. Impana B G
- Designation: Assistant Professor
- Organization: Government College, Hassan
- Visit Date: September 10, 2023
- Purpose: Guest lecture on recent advancements in pharmaceutical research and career guidance.

Conclusion

The involvement of alumni in departmental activities has been invaluable in providing students with the skills and opportunities necessary for their academic and professional growth. Their continued support and engagement are essential in maintaining a strong connection between the university and its alumni network. We look forward to their ongoing contributions and the positive impact they will have on our students.

DEPARTMENT ALUMNI MEET 2019-20 ON 09/11/2019

NAME OF THE ALUMNI: Mr. KARTHIK G
ORGANISATION WORKING: Institute of wood science and technology
DESIGNATION: Project fellow
PLACE: Bangalore

AGENDA

1. SHORT TRAINING FOR THE STUDENTS ON SOFT SKILLS NECESSARY FOR RESEARCH

2. REFERRING SELECTED STUDENTS INTERESTED TO PURSUE RESEARCH FOR FUTURE

- M.Sc. students are given training on using online platforms for applying for research.
- Efficient use of Google scholar, Research gate and other search engines.
- Trained for Skills like writing a research report, reviewing an article and designing an experiment etc...
- Students are registered on social networks like LinkedIn etc... to find research openings.
- Students were given a bird eye view on fellowships and pursuing research as part time/ external candidate.
- Students pursuing M.Sc. are asked to raise their doubts and questions after the session. The answers obtained are recorded below:

Question 1: What are the opportunities available for a M.Sc. Botany students in research field?

Answer: Botany is a basic subject, most of the life science related projects will hire botany students. For plant related projects eligibility will include botany as one of the subjects

Question 2: How long will it take to complete Ph.D.? Cost?

Answer: It depends on the topic and also result of the experiment. Minimum 2 years to maximum 5 years. Cost will also vary depending on university and experimental design.

Question 3: How to apply for fellowship?

Answer: there are many criteria's considered for each fellowship. Will share the link for various fellowships available

Meeting is held on 2nd Saturdays preferably for the convenience of alumna. All faculty members and 1st and 2nd M.Sc. students attended the meeting.

PLACE: Bangalore

AGENDA

1. SHORT TRAINING FOR THE STUDENTS ON SOFT SKILLS NECESSARY FOR INDUSTRIES

2. REPRISING SELECTED STUDENTS INTERESTED TO PURSUE JOBS IN INDUSTRIES IN FUTURE

- M.Sc. students are given training on communication skills necessary for interviews.
- Students are registered on social networks like LinkedIn etc. ... to find openings.
- Students were given a bird eye view on working mode and schedules in industries.
- Students pursuing M.Sc. are asked to raise their doubts and questions after the session. The questions answered are recorded below:

Question 1: Will our knowledge of botany useful in industrial work experience?

Answer: It depends on the industry. Apart from subject knowledge your communication skills, analyzing ability, problem solving skills etc. ... that are thought in your masters will also be useful.

Question 2: Which is the best skill based course we should study to pursue industrial career?

Answer: In addition to subject knowledge there are many online courses offered by various institutes. For example computer techniques, operation of instruments, bio product isolation and preparation are few skills to be expected by industries.

Question 3: How to get reference for industry jobs?

Answer: Our College has its alumna's in every industrial sector, register for placement cell and alumni association which can lead you to many opportunities to meet these persons. Our department faculty reference can also serve you the need.

Meeting is held on 2nd Saturdays preferably for the involvement of alumna. All faculty members and 1st and 2nd M.Sc. students attended the meeting.

AGENDA

1. SHORT TRAINING FOR THE STUDENTS ON SOFT SKILLS NECESSARY FOR WORKING IN INDUSTRIES.
2. REFERRING SELECTED STUDENTS INTERESTED TO PURSUE JOB IN INDUSTRIES.

- M.Sc. students are given training on necessary skills for joining industries.
- Efficient use of search engines to locate vacancies.
- Students are registered on social networks to find job openings.
- Students were given a bird-eye view on selection mode and assessment criteria's for interviews.
- Students pursuing M.Sc. are asked to raise their doubts and questions after the session. The answers obtained are recorded below.

Question 1: What are the opportunities available for a M.Sc. Botany students in this field?

Answer: they will train their candidates irrespective of the subject they have studied.

Question 2: Will there be increments and promotions on experience basis or based on our work

Answer: It depends on the company, sometimes both criteria will be considered.

Question 3: How to apply for job?

Answer: Will share the link for websites.

Meeting is held on 2nd Saturday preferably for the convenience of alumna. All faculty members and 1st and 2nd M.Sc. students attended the meeting.

Alumni Meet

Name of the Alumni	Batch	Registration No.	Working Organization	Designation	Place
Anusha Gowda A R	2021-22	JCH21006	JSS Science & Technology	Ph.D. Student	Mysuru

Dr. Kavya H.V., Asst. Professor, PG Department of Chemistry, JSSCACS, Mysore, welcomed the alumni **Anusha Gowda A.R., Ph.D. Scholar, JSS Science & Technology, Mysuru**. The alumni presented her talk on “**Ph.D. in Universities**”.

She interacted with 2022-23 batch students and it began at **10.30 AM** and her talk was mainly concentrated on the value of Ph.D. in higher education. She talked on her present research work ‘Applications of Nano-particles in the photo degradation of dyes’. She gave the basic introduction about nano-particles, synthesis of nanoparticles and its important applications in different fields. There was a nice interaction between students and the speaker. The questions raised by the students were answered by the alumni in a detailed manner. She told on Candidates who wish to pursue Ph.D. must have completed Master's degree along with a valid Ph.D. entrance exam score.

The talk was informative and the students were happy that they learnt some of the basic aspects of Ph.D. The lecture was concluded on a note that pursuing a Ph.D. can be a fulfilling and rewarding journey.

Two faculty members and 1st & 2nd year students of PG Department of Chemistry, JSSCACS, attended the interactive meet. The programme concluded at **11.50 AM**. The vote of thanks was delivered by **Mrs. S. Pramila**, Asst. Professor, PG Department of Chemistry, JSSCACS, Mysuru.

Rakesh N	2021-22	JCH21047	ITC Ltd.	QC Aanalyst	Bengaluru

Alumni meet was organized by PG Department of Chemistry, JSS College of Arts, Commerce and Science on **October 22nd 2022** at Class room, 3rd Floor, JSSCACS, Mysuru.

Dr. N. Vijendra Kumar, Asst. Professor, PG Department of Chemistry, JSSCACS, Mysore, welcomed the alumni **Mr.Rakesh, ITC Ltd., Bengaluru**. Alumni interacted with students 2022-23 batch studentson "Quality Control Jobs in Industry".

It began at 2.30 PM and his talk was mainly concentrated on analytical instruments. The talk compromised about the basics of Quality control jobs in industry were discussed in the meet. Quality control is important to safeguard the company's reputation, prevent products from being unreliable, and increase trust on the side of consumers. She told on Quality control inspectors, also called testers, sorters, samplers and weighers, monitor nearly all manufactured products to ensure that they meet specified standards. There was a nice interaction between students and the alumni. The questions raised by the students were answered by the alumni in a detailed manner.

The talk was very informative and the students were happy that they learnt some of the basic aspects. It was concluded on addition of QC is one of the requirements in many pharmaceutical and food industry.

POSTGRADUATE DEPARTMENT OF CHEMISTRY Alumni Meet

Name of the Alumni	Batch	Registration No: -	Working Organization	Designation	Place
Mahesha M	2011-12	JCH11007	ITC Ltd.	QC Aanalyst	Bengaluru

Alumni Meet was organized by PG Department of Chemistry, JSS College of Arts, Commerce and Science on **27-12-2018** at Class room, 3rd Floor, JSSCACS, Mysuru.

Dr. N. Vijendra Kumar, Asst. Professor, PG Department of Chemistry, JSSCACS, Mysore, welcomed the alumni **Mr. Mahesha M., ITC, Bengaluru**. The alumni presented his talk on "**Analytical Instrumentation**".

He interacted with 2nd Year students of 2018-19 batch at **2.30 PM** and his talk was mainly concentrated on analytical instruments namely gas chromatography and high-performance liquid chromatography. The talk comprised about the basics of chromatography, stationary and mobile phase used in different types of chromatographic techniques was discussed in the lecture. The difference between GC and HPLC was explained. Different detectors used in GC and HPLC were well explained by the guest. There was a nice interaction between students and the alumni. The questions raised by the students were answered by the alumni in a detailed manner.

The talk was very informative and the students were happy that they learnt some of the basic aspects. It was concluded on addition of spectroscopy is one of the requirements in many pharmaceutical and food industry.

Four faculty members and 40 students of PG Department of Chemistry, JSSCACS, attended the interactive session. The programme concluded at **3.45 PM**.

Report on Alumni Engagement and Support for Departmental Activities

This report highlights the support provided by alumni to the students of the PG Department of Physics at JSS College of Arts, Commerce and Science, Ooty Road, Mysuru. The alumni have contributed significantly by participating in departmental activities, offering training on soft skills, referring students for industry jobs, and planning visits to the college. Their involvement has been instrumental in enhancing the educational and professional development of current students.

Alumni Support for Departmental Activities

1. Departmental Alumni Meet

The alumni have actively supported the organization of the departmental alumni meet. They help in organizing Alumni committee to help plan and execute the event. Several alumni have volunteered to speak at the event, sharing their experiences and providing valuable insights to current students. Alumni have facilitated networking sessions, enabling students to connect with industry professionals and gain exposure to various career paths.

2. Short Training on Soft Skills

Recognizing the importance of soft skills in professional development, the alumni have conducted short training sessions for students. These sessions cover a range of topics, including: communication Skills, Fostering effective teamwork and collaboration skills, developing leadership qualities and management techniques. Teaching strategies for effective time management and productivity.

3. Referring Students for Industry Jobs

Alumni have played a crucial role in referring students for job opportunities in the industry. They share personalized feedback on resumes and conducting mock interviews to prepare students for job applications. Leveraging their professional networks to connect students with potential employers. They are very happy to refer qualified students for internships and job openings within their organizations.

Alumni Visits to the College

To maintain strong connections with the university and to offer continuous support to students, alumni have planned regular visits to the college. Below is a schedule of visits planned for the upcoming academic year:

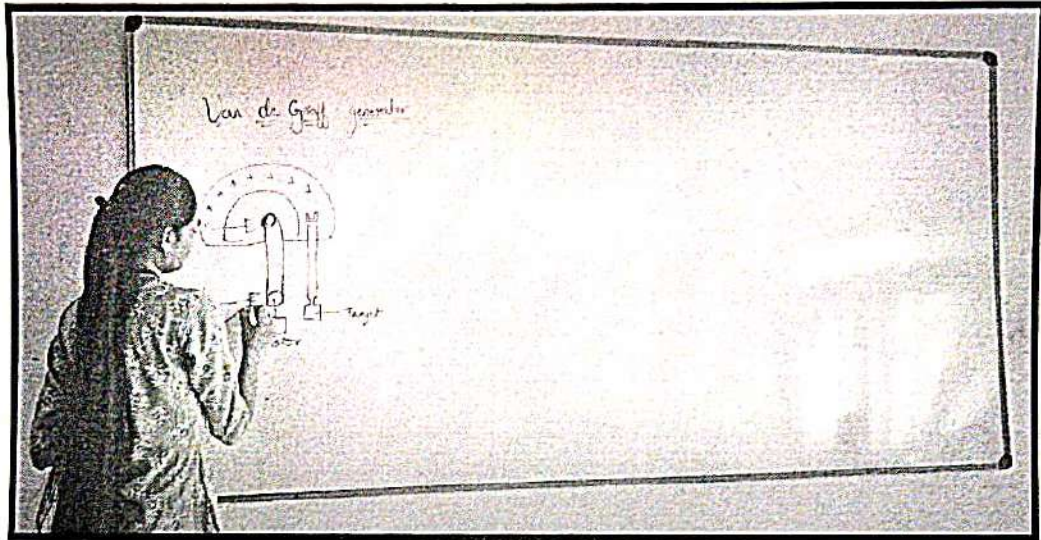

Visit Schedule

1. First Semester:

- Alumni Name: Rashmi C M
- Designation: Senior Lecturer
- Organization: Government School Teacher, Mysore
- Visit Date: March 15, 2023
- Purpose: Guest lecture on recent advancements in pharmaceutical research and career guidance.

Conclusion

The involvement of alumni in departmental activities has been invaluable in providing students with the skills and opportunities necessary for their academic and professional growth. Their continued support and engagement are essential in maintaining a strong connection between the university and its alumni network. We look forward to their ongoing contributions and the positive impact they will have on our students.
