Annual Report on Career Oriented and Value-Added Courses for 2018-19

During the academic year 2018-19, JSS College of Arts, Commerce and Science offered an extensive range of career-oriented and value-added courses to enhance the employability and skill sets of its students. These courses were conducted offline and covered various fields such as Electrical Equipment Maintenance, Industrial Microbiology, Horticulture, Tax Management, and Insurance Management, each with a duration of 30 hours. Notably, courses like Bharathiya Samskruthi and Yoga saw significant participation, with 581 and 223 students respectively, reflecting their popularity and relevance.

The college also focused on niche areas such as Animation and Visual Effects, Web Design, and Tourism, which attracted around 142-145 students each. In addition to technical skills, the college emphasized holistic development through courses like Life Skills, Ecotoxicology, and Sustainable Development. Despite varied participation levels, ranging from 12 to 193 students, each course aimed at providing practical knowledge and hands-on experience, preparing students for future professional challenges. Overall, the diverse course offerings underscored the college's commitment to comprehensive education and skill development.

The overall details of COCs and VACs are presented below:

Title of the Course	Mode of Teaching	Min contact h	No. registered	No. completed
Electrical of Electrical Equipment Maintenance	offline	30	169	169
Industrial Microbiology	offline	30	180	180
Horticulture	offline	30	180	180
Tax management	offline	30	193	193
Insurance Management	offline	30	193	193
Sharana Sahitya	offline	30	45	45
Computerized Accounting	offline	30	145	145
Web Design	offline	30	145	145
Tourism	offline	30	142	142
Animation and Visual Effects	offline	30	142	142
Yoga	offline	30	223	223
Barathiya Samskruthi	offline	30	581	581
Parasitology	offline	30	37	37
Ecotoxicology	offline	30	21	21
Kannada Thanthrajnana	offline	32	23	23
Kannada Bhashanthara Sahithya	offline	32	23	23
Nuclear Data for Science and Technology	offline	30	20	20
Astrophysics and Cosmology	offline	30	25	25
Introduction to Matlab	offline	30	15	15
