Annual Report

Career Oriented and Value-Added Courses offered in the year

2019-20

In the academic year 2019-20, the college continued to offer a diverse array of career-oriented and value-added courses, with a focus on enhancing practical skills and academic knowledge. These courses were conducted offline and saw a varied level of participation, demonstrating the college's commitment to catering to a wide range of student interests and career aspirations.

Popular courses included Tax Management and Insurance Management, each enrolling 307 students, reflecting the growing interest in financial and risk management fields. Similarly, courses like Computerized Accounting, Web Design, and Tourism attracted 230 students each, indicating a strong inclination towards digital skills and travel industry knowledge. The Yoga course, which registered 64 students, highlighted the emphasis on holistic well-being alongside academic pursuits.

Noteworthy is the Barathiya Samskruthi course, with a significant enrollment of 520 students, showcasing a high engagement in cultural studies. On the other hand, niche subjects like Kannada Dhakalu Sahitya and Plasma Physics and Technology had fewer participants but provided specialized knowledge to those enrolled. Overall, the college successfully enrolled a substantial number of students across various courses, with most students completing their respective programs, thereby enriching their academic and professional profiles.

The details of all the COCs and VACs offered by college and completed by students are presented below.
