About Jagadguru Sri Veerasimhasana Mahasamsthana Math, Suttur Srikshetra

Jagadguru Sri Veerasimhasana Mahasamsthana Math at Suttur Srikshetra is a pilgrim centre, which has a history of more than a thousand years. The Pontiffs of the Math have devoutly dedicated themselves to the spiritual and educational development of people of all religions and faiths.

The Math itself has been a seat of knowledge and wisdom and has worked ceaselessly for human welfare since its inception.

Suttur Math can be aptly described as an active ongoing movement that upholds the cause of social and economic justice, based on spiritual ideals, as propagated by the great Shaivaites. It is no wonder today the Math's activities and influence has spread far beyond the small region on the banks of the River Kapila in Karnataka and reached communities not merely in other parts of India but in many countries of the world.

For over a thousand years now, Pontiffs of great eminence have led the Math—each one committed to serving society in his own chosen way. This has contributed to the spiritual enrichment of its followers and has helped social and economic uplift. The Math's growth is a reflection of the social and spiritual progress of its followers, and as such it is more a process than an event.

The Math propagates a religious and spiritual faith that is distinctly known as the Veerashaiva faith. This faith has found expression through the teachings and words of countless saints and seers as well as writers and philosophers. The pure essence of Shiva worship is: 'tolerance towards all living beings' and 'regarding work as the means of worship.' These are the twin philosophical principles of the Veerashaiva faith which have been instrumental in bringing about reforms of tremendous social significance as initiated by Sri Basaveshwara in the 12th century.

Sri Suttur Math is today regarded as one of the leading organisations for the continuance of Veerashaivism, disseminating the ideals of universal brotherhood and striving to spread human values and ethics across the world through an array of activities – spiritual, cultural and educational.

Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji

His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji, the 23rd pontiff of the Srimath, was born on 29.8.1916 and ascended the holy seat on 24.02.1928 when he was hardly twelve years. He took up the responsibilities of the Srimath along with his guru Manthra Maharshi Jagadguru Sri Shivarathreeshwara Mahaswamiji.

A firm believer in the good of one and all, he was at the helm of affairs of the Srimath for more than half a century – a period full of events and activities. He sought nothing but the welfare of all.

He completed his primary education at Suttur and took to studying Sanskrit in Mysuru at a young age. During this time, Swamiji engaged in lengthy spiritual and academic discussions with spiritual leaders. To pursue higher education, Swamiji went to Varanasi. However, as per his predecessor's desire, His Holiness Jagadguru Sri Shivarathreeshwara Mahaswamiji and Sri Gowrishankara Mahaswamiji of Panchagavi Math, he returned to Mysore to continue studies and get involved in social service.

He was a scholar in Kannada and Sanskrit and a patron of art and literature. He was thoughtful and sensitive to an astonishing level. Unlike others, he had mastered the art of turning every good thought into reality. The wisdom of all his predecessors culminated in him. Every step he took was a step forward in search of new areas of service. That is how he could build a galaxy of educational institutions. He served society tirelessly, without any selfish ends. His Holiness started a hostel in the 1940s at Niranjanalaya (his rented residence) for needy students in Mysuru. Primary Schools, High Schools, PU Colleges, Degree Colleges, Engineering colleges, medical colleges, etc., soon followed. He also established many Trusts and Societies, such as JSS Medical Service Trust, Sri Shivarathreeshwara Rural Development Foundation, JSS Sangeetha Sabha, Shivarathreeshwara Endowment Trust, Akhila Bharatha Sharana Sahitya Parishath, etc. that catered to many social needs.

Sri Rajendra Swamiji, who succeeded the Srimath with a great legacy, did not limit himself to religious activities but responded to the problems of inequality, poverty and misery in society. The services of the Srimath were extended accordingly to the community's needs. Before India attained independence, Swamiji had identified that lack of knowledge was the cause of several problems faced by the masses and thus started the JSS Mahavidyapeetha (1954) to provide education. Under the aegis of JSS Mahavidyapeetha, he began schools and colleges for Jnana Dasoha (education), hostels for Anna Dasoha (boarding and lodging) and hospitals for Arogya Dasoha (health services) that led to overall social development. He was

compassionate in supporting the poor and the oppressed and provided opportunities to thousands who needed shelter.

The early period of his pontification was challenging. It was often said that he had to struggle relentlessly to get even a small work done. A single-minded dedication to a task aimed at the welfare of all prompted him to tread the path of sacrifice. His Holiness attained heavenly abode on 6th December 1986, and his shrine can be visited at Suttur.

Sri Jayachamarajendra Wadiyar conferred on His Holiness the title of 'Rajagurutilaka' in 1970 as a recognition of his immense contribution to society. Posthumously, Sri Shivaratri Rajendra Mahaswamiji was awarded an honorary doctorate by the University of Mysore in 1989.

All accomplishments of knowledge, health, food, shelter etc, established by Sri Shivarathri Rajendra Mahaswamiji are growing to the sky high under the able leadership and blessings of His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the 24th and present pontiff of Srimath.

About JSS Mahavidyapeetha

The origin of JSS Mahavidyapeetha (JSSMVP), a formidable educational movement, can be traced to the establishment of a small hostel in 1928 to cater to the accommodation needs of students pursuing higher studies in Mysore.

His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji established the Jagadguru Sri Shivarathreshwara Mahavidyapeetha (JSSMVP) in 1954 which was registered under the Societies Registration Act 1960. Focusing on a purpose as expansive yet specific as improving quality of life through Human Development, the JSS Mahavidyapeetha has grown from strength to strength. A long and healthy life, Education for all and a decent standard of living, the indicators of Human development, have been the underlying philosophy of Jagadguru Sri Veerasimhasana Mahasamsthana Math, Suttur Srikshethra for centuries. This is also the philosophy for which the Mahavidyapeetha today stands for. JSSMVP has the objective of providing education and health care especially to the rural mass. JSSMVP witnessed enormous growth in the field of Education and today has over 300 institutions under its fold, from kindergartens to postgraduate centres and postdoctoral research catering to the educational needs of more than 1,00,000 students. The range of institutions includes Sanskrit Patashalas, PUC, Degree Colleges, Postgraduate Centers, Agricultural Research Centers, Hospitals, Free Education Schools, Nursing, Medical and Engineering Colleges. Two

Universities, namely, JSS Academy of Higher Education and Research (JSSAHER) and JSS Science and Technology University (JSS S&T) are at the top for showing the academic accomplishments of JSSMVP.

About the college

JSS College of Arts, Commerce and Science (JSSCACS), Ooty Road, Mysuru, started in 1964, is the maiden First Grade College of JSSMVP, which was established by the 23rd Pontiff of Sri Suttur Math Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji. As a private, aided, co-educational, and multi-faculty College, JSSCACS is serving the society by providing the value added and skill based education in Arts, Commerce and Science disciplines. The college after recognized under 2f & 12(B) of UGC has reached different milestones. The College received initial accreditation as a '4-Star' Grade by NAAC in 2001. Subsequently, it obtained Autonomous status in 2005, bolstering its growth. NAAC reaffirmed its progress, granting an 'A' Grade with a CGPA of 3.03 in 2008, coinciding with the establishment of the UGC-sanctioned 'Buddha Study Centre.' Further assessments in 2014 and 2018-19 led to successive re-accreditations with CGPAs of 3.04 and 3.21, respectively. Acknowledged as a 'College with Potential for Excellence' by UGC in 2010, it embarked on interdisciplinary research endeavors, securing a second-phase extension of the scheme from 2015 to 2020 due to its remarkable outcomes. The College was identified as 'Biotechnology Finishing School (BTFS)' by the Government of Karnataka, in the year 2011 for a period of 5 years to create skill based and industry ready resources. After successful completion of the first cycle the College has been selected for running the second phase with the synonym of BTFS as BiSEP for the period 2017-2022. In the year 2015, UGC has sanctioned the 'Deen Dayal Upadhyay Kaushal Kendra (DDU KAUSHAL Kendra)' to offer B.Voc, M.Voc and PhD programmes. The campus comprises of College building with well furnished classrooms, laboratories, Auditorium, Library etc, Women's Hostel, Sports Ground, In-door Ground, Generator Rooms, Rain Water Harvesting and other facilities in 7.08 acres of area. The College has Optic Fiber internet connection with Wi-Fi and Firewall facility is provided all-over the college. JSS Radio 91.2 FM Community Radio Centre has been established in the campus with the assistance of Ministry of Information and Broadcasting, Govt. of India in the year 2021 and the community related programs are being broadcasted every day. The College has rich faculty strength of 182 and out of which 64 are Doctoral and 6 are M.Phil degree holders. The faculty members are well supported by 64 nonteaching staff. The College offers Undergraduate, Postgraduate and Doctoral Degree Programmes in different disciplines. The National Education Policy 2020 (NEP-20) has been implemented in 2021-22 for UG Programmes. The College received grants for research activities of the faculty of different departments from various funding agencies: UGC, CSIR, ICMR, DST and VGST. The faculties of the College have authored many textbooks and book chapters, served as editorial board members or referees for journals and resource persons/subject experts in many events. Teachers are highly expertise in their thrust areas of research as evidenced by spectrum of articles published. The maximum impact factor of a journal out of those articles published is around 7.0 and the highest author h-index is 19. The faculty members have actively participated and presented papers in academic events.

MESSAGE FROM CHIEF EXECUTIVE

Dear learners and parents,

It gives me immense pleasure to present the prospectus of JSS College of Arts, Commerce, and Science (JSSCACS). Since its inception in 1964, our institution has been a trailblazer in providing holistic education, marked by academic brilliance and a commitment to nurturing well-rounded individuals.

We are fortunate to have the continuous blessings of the esteemed founder of JSSMVP and the college, Dr. Sri Shivarathri Rajendra Mahaswamiji, as well as the ongoing guidance and blessings of Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, supporting us in all our endeavors.

As a beacon of knowledge and innovation, JSSCACS stands as a testament to our dedication to shaping future leaders. Our journey, punctuated by milestones and accolades, reflects our unwavering pursuit of excellence in academia and research.

The comprehensive array of undergraduate, postgraduate, and doctoral programs, complemented by specialized vocational courses, signifies our endeavor to cater to diverse academic interests and industry demands. Our faculty, comprising esteemed scholars and experts, passionately guide our students towards academic success and research excellence. The campus offers state-of-the-art facilities designed to provide a conducive environment for learning and growth. From well-furnished classrooms and laboratories to a robust library and sports grounds, our infrastructure supports a holistic educational experience.

We take pride in our faculty's contributions to research, evident through publications in esteemed journals and active participation in academic events. The impact factor of our published articles and the author h-index reflect the depth of expertise and commitment to scholarly pursuits.

JSSCACS remains committed to fostering a culture of academic rigor, innovation, and social responsibility. With a focus on implementing progressive educational policies and initiatives, we aim to empower our students to excel in their chosen fields and become global citizens poised for success.

Warm regards,

Prof. B.V. Sambashivaiah

FOREWARD BY THE PRINCIPAL

Dear Students, Faculty, and Supporters,

It gives me immense pleasure to introduce this year's academic journey at JSS College of Arts, Commerce and Science. Our institution stands as a beacon of academic excellence, nurturing young minds to become the architects of tomorrow's world.

Welcome to JSS College of Arts, Commerce and Science (JSSCACS), an institution steeped in a rich legacy of academic excellence and holistic development. Established in 1964 as the pioneering First Grade College of JSSMVP, our journey has been a testament to our commitment to providing value-added, skill-based education in Arts, Commerce, and Science disciplines.

The college believes in fostering interdisciplinary research activities and cultivating an environment where students are encouraged to think critically and innovate. Our faculty, comprising 182 members, including doctoral and M.Phil degree holders, serve as mentors and guides, facilitating not just education but also research that has a significant impact on various fields.

The comprehensive array of undergraduate, postgraduate, and doctoral programs, including specialized vocational courses, align with the evolving educational landscape and industry demands. The recent incorporation of the National Education Policy 2020 underscores our commitment to staying at the forefront of progressive education.

As we embrace innovation with initiatives like the Community Radio Centre and the implementation of skill-based programs, such as the BiSEP and programmes of DDU KAUSHAL Kendra, our aim remains to empower students with skills that make them industry-ready and socially responsible individuals.

The campus, spread across 7.08 acres, boasts state-of-the-art facilities, including well-furnished classrooms, laboratories, a library, sports grounds, and Wi-Fi connectivity, ensuring a conducive environment for learning and growth.

College is not just an institution; it's a dynamic hub where knowledge meets opportunity, fostering a culture of academic excellence, research, and holistic development. Welcome to a transformative educational experience at our college, where the pursuit of knowledge knows no bounds.

All the best and have a nice academic endeavour ahead

National Service Scheme

The National Service Scheme (NSS) is a revered public service initiative sponsored by the Indian government through the Ministry of Youth Affairs and Sports. Its inception during Gandhiji's centenary year in 1969 underscores its historical significance. NSS stands as a voluntary platform within colleges, dedicated to fostering students' holistic development through active engagement in community service.

The NSS at our college exemplifies exceptional proactivity and unwavering dedication to societal welfare. Over the past five years, NSS has garnered numerous awards and accolades, celebrating its substantial contributions to society. Through their committed service, NSS volunteers are not only contributing significantly but also cultivating invaluable leadership skills and a sense of patriotism.

The NSS program serves as a cornerstone in shaping individuals who not only contribute actively to societal welfare but also emerge as leaders infused with a strong sense of patriotism and dedication to community service.

National Cadet Corp

The National Cadet Corps (NCC) stands as the premier Indian Military Cadet Corps, headquartered in New Delhi. This voluntary organization selectively enrolls cadets from high schools, colleges, and Universities nationwide. Cadets undergo comprehensive training encompassing basic military techniques, small arms handling, and parade drills. Upon completion of their course, officers and cadets are relieved from active military service obligations, yet they enjoy preference over general candidates in selection processes owing to their achievements within the corps.

Established in 1966, the NCC Company 2/14 KAR BN NCC at JSS College of Arts, Commerce & Science, Mysore -25, boasts a robust strength of 160, inclusive of SD and SW. The company marked its silver jubilee in 1991-92, upholding disciplined training that fosters national unity and integrity through the embodiment of NCC ideals. Evidencing consistent progress since inception, the NCC at the college provides a platform for students to imbibe discipline and embrace responsibilities towards nation-building.

Participation in prestigious events like the Republic Day parade, PM Rally, Talsainik Camp, among others, enriches the students' experience. The college extends ample opportunities for students to engage actively in NCC activities. Furthermore, the commendable achievements of the college NCC officer and Cadets have garnered several accolades, including the Chief Minister Commendation award and the best NCC team award, affirming the dedication and excellence within the program.

Our Major Recruiters

Competitive Examination Training (CET) Cell

The college's Competitive Examination Training (CET) Cell provide severe training for students. The Training Program, tailored for aspirants eyeing entry into All India Services or State Civil Services, currently provides weekend sessions. Candidates must commit at least seven hours daily for study and training. Admission hinges on a written test and individual interview, accepting only the top 100 candidates based strictly on merit.

The comprehensive program features weekend classes in various streams, supplemented by mock tests, expert-led sessions, and essay evaluations. Participants receive a daily dose of editorials, current affairs, and summaries of Yojana, Kurukshetra magazines, Economic Survey, and PIB updates.

The curriculum focuses on both Preliminary and Mains examinations, instilling analytical skills for multiple-choice questions, in-depth coverage of general knowledge, and language proficiency. Training extends to optional subjects including Geography, Public Administration, History, Sociology, Economics, and Kannada Literature.

Furthering the training, the program aligns with the Karnataka Civil Service Examination syllabus, preparing candidates with an identical approach. Additionally, it equips participants for various competitive examinations like Staff Selection Commission, CDS, Banking Exams, RRB, and more. Personality development sessions fine-tune interview skills, etiquette, language, and emotional acumen for successful assessments.

Co-curricular and extracurricular activities

College places immense emphasis on fostering holistic development among students beyond academics. The institution actively promotes co-curricular and extracurricular activities, providing a platform for students to explore their talents and interests. The college hosts a vibrant array of events encompassing arts, culture, sports, technology, and social causes. These platforms encourage students to engage in debates, cultural fests, hackathons, sports meets, community outreach programs, and more, nurturing their leadership, teamwork, and creative skills.

Alumni association

College boasts a robust Alumni Association that serves as a valuable network connecting past and present students. The association organizes alumni meets, workshops, mentoring sessions, and career guidance programs, fostering a strong bond between the institution and its graduates. Alumni members actively contribute their expertise and experiences, supporting current students in their academic and professional journeys.

Student support

Students are provided comprehensive support through various committees that cater to their academic, social, and personal welfare. The Grievance Appeal Redressal Cell ensures a platform for students to address and resolve any grievances they may have, promoting a conducive and supportive environment. The SC/ST and OBC Committees focus on the specific needs and concerns of marginalized groups, ensuring their rights and providing necessary assistance. The Anti-Ragging Committee maintains a zero-tolerance policy towards any form of harassment, ensuring a safe and secure campus for all. Additionally, the institution has an array of committees spanning academic, cultural, sports, and social domains. These committees, including the Career Guidance and Placement Cell Committee, Alumni Association, Disciplinary Committee, and various others, actively engage with students, offering guidance, mentorship, and avenues for personal and professional growth. Through these committees, students receive multifaceted support, enabling them to excel academically and personally while contributing positively to the campus community.
