JAGADGURU SRI VEERASIMHASANA MAHASAMSTHANA MATH

SUTTURU SRIKSHETRA

Jagadguru Sri Veerasimhasana Mahasamsthana Math at Sri Suttur Kshetra is a pilgrim centre, which has a history of more than a thousand years. The Pontiffs of the Math have devoutly dedicated themselves to the spiritual and educational development of people of all religions and faiths.

The Math itself has been a seat of knowledge and wisdom and has worked ceaselessly for human welfare since its inception.

Suttur Math can be aptly described as an active ongoing movement that upholds the cause of social and economic justice, based on spiritual ideals, as propagated by the great Shaivaite thinkers. It is no wonder today the Math's activities and influence has spread far beyond the small region on the banks of the River Kapila in Karnataka and reached communities not merely in other parts of India but in many countries of the world.

For over a thousand years now, Pontiffs of great eminence have led the Math- each one committed to serving society in his own chosen way. This has contributed to the spiritual enrichment of its followers and has helped social and economic uplift. The Math's growth is a reflection of the social and spiritual progress of its followers, and as such it is more a process than an event.

The Math propagates a religious and spiritual faith that is distinctly known as the Veerashaiva faith. This faith has found expression through the teachings and words of countless saints and seers as well as writers and philosophers. The pure essence of Shiva worship is:

‘tolerance towards all living beings’ and ‘regarding work as the means of worship.’ These are the twin philosophical principles of the Veerashaiva faith which have been instrumental in bringing about reforms of tremendous social significance as initiated by Sri Basaveshwara in the 12th century.

Sri Suttur Math is today regarded as one of the leading organisations for the continuance of Veerashaivism, disseminating the ideals of universal brotherhood and striving to spread human values and ethics across the world through an array of activities – spiritual, cultural and educational.

HIS HOLINESS JAGADGURU
JAGADGURU DR. SRI SHIVARATHRI RAJENDRA MAHASWAMIJI

His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji, the 23rd pontiff of the Srimath, was born on 29.8.1916 and ascended the holy seat on 24.02.1928 when he was hardly twelve years. He took up the responsibilities of the Srimath along with his guru Manthra Maharshi Jagadguru Sri Shivarathreeshwara Mahaswamiji.

A firm believer in the good of one and all, he was at the helm of affairs of the Srimath for more than half a century – a period full of events and activities. He sought nothing but the welfare of all.

He completed his primary education at Suttur and studied Sanskrit in Mysuru at a young age. During this time, Swamiji engaged in lengthy spiritual and academic discussions with spiritual leaders. To pursue higher education, Swamiji went to Varanasi. However, as per his predecessor's desire, His Holiness Jagadguru Sri Shivarathreeshwara Mahaswamiji and Sri

Gowrishankara Mahaswamiji of Panchagavi Math, he returned to Mysuru to continue his studies and get involved in social service.

He was a scholar in Kannada and Sanskrit and a patron of art and literature. He was thoughtful and sensitive to an astonishing level. Unlike others, he had mastered the art of turning every good thought into reality. The wisdom of all his predecessors culminated in him. Every step he took was a step forward in search of new areas of service. That is how he could build a galaxy of educational institutions. He served society tirelessly, without any selfish ends. His Holiness started a hostel in the 1940s at Niranjanalaya (his rented residence) for needy students in Mysuru. Primary Schools, High Schools, PU Colleges, Degree Colleges, Engineering Colleges, Medical Colleges, etc., soon followed. He also established many Trusts and Societies, such as JSS Medical Service Trust, Sri Shivarathreeshwara Rural Development Foundation, JSS Sangeetha Sabha, Shivarathreeshwara Endowment Trust, Akhila Bharatha Sharana Sahitya Parishath, etc. that catered to many social needs.

Sri Rajendra Swamiji, who succeeded the Srimath with a great legacy, did not limit himself to religious activities but responded to the problems of inequality, poverty and misery in society. The services of the Srimath were extended accordingly to the community's needs. Before India attained independence, Swamiji had identified that lack of knowledge was the cause of several problems faced by the masses and thus started the JSS Mahavidyapeetha (1954) to provide education. Under the aegis of JSS Mahavidyapeetha, he began schools and colleges for Jnana Dasoha (education), hostels for Anna Dasoha (boarding and lodging) and hospitals for Arogya Dasoha (health services) that led to overall social development. He was compassionate in supporting the poor and the oppressed and provided opportunities to thousands who needed shelter.

The early period of his pontification was challenging. It was often said that he had to struggle relentlessly to get even a small work done. A single-minded dedication to a task aimed at the welfare of all prompted him to tread the path of sacrifice. His Holiness attained heavenly abode on 6th December 1986, and his shrine can be visited at Suttur.

Sri Jayachamarajendra Wadiyar conferred on His Holiness the title of 'Rajagurutilaka' in 1970 as a recognition of his immense contribution to society. Posthumously, Sri Shivaratri Rajendra Mahaswamiji was awarded an honorary doctorate by the University of Mysore in 1989.

All accomplishments of knowledge, health, food, shelter etc, established by Sri Shivarathri Rajendra Mahaswamiji are growing to the sky high under the able leadership and blessings of His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the 24th and present pontiff of Srimath.

**HIS HOLINESS JAGADGURU
SRI SHIVARATHRI DESHIKENDRA MAHASWAMIJI**

His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the 24th Pontiff of Sri Suttur Math, is a revered spiritual leader, visionary educationist and compassionate humanitarian whose life is dedicated to the service of humanity. Guided by the timeless ideals of **"Service to Mankind is Service to God,"** His Holiness is tirelessly working towards nurturing moral values, spiritual awakening and holistic development. Under His Holiness inspiring leadership, the JSS Mahavidyapeetha, founded by 23rd Pontiff, has expanded into one of India's largest educational and social service organizations, empowering millions through quality education, healthcare, rural development and cultural preservation.

The divine blessings and visionary guidance of His Holiness continue to illuminate the lives of people across all sections of society, transcending barriers of caste, creed and religion. His Holiness unwavering commitment to compassion, social justice, environmental consciousness and value-based education has transformed countless lives and strengthened communities. Through spiritual wisdom and selfless service, His Holiness inspires individuals to lead lives rooted in integrity, knowledge, humility and universal brotherhood, making Sri Suttur Math a guiding light of peace, progress and human welfare.

JSS MAHAVIDYAPEETHA

The origin of JSS Mahavidyapeetha (JSSMVP), a formidable educational movement, can be traced to the establishment of a small hostel in 1928 to cater to the accommodation needs of students pursuing higher studies in Mysore.

His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji established the Jagadguru Sri Shivarathreshwara Mahavidyapeetha (JSSMVP) in 1954 which was registered under the Societies Registration Act 1960. Focusing on a purpose as expansive yet specific as improving quality of life through Human Development, the JSS Mahavidyapeetha has grown from strength to strength. A long and healthy life, Education for all and a decent standard of living, the indicators of Human development, have been the underlying philosophy of Jagadguru Sri Veerasimhasana Mahasamsthana Math, Suttur Srikshethra for centuries. This is also the philosophy for which the Mahavidyapeetha today stands for. JSSMVP has the objective of providing education and health care especially to the rural mass. JSSMVP witnessed enormous growth in the field of Education and today has over 300 institutions under its fold, from kindergartens to postgraduate centres and postdoctoral research catering to the educational needs of more than 1,00,000 students. The range of institutions includes Sanskrit Patashalas, PU and Degree Colleges, Postgraduate Centers, Agricultural Research Centers, Hospitals, Free Education Schools, Nursing, Medical and Engineering Colleges. Three Universities, namely, JSS Academy of Higher Education and Research (JSSAHER), JSS Science and Technology University (JSS S&T) in Mysuru and JSS University in Noida are at the top for showing the academic accomplishments of JSSMVP.

The institutions running by JSSMVP are given below.

JSS MAHAVIDYAPEETHA – INSTITUTIONS

Transforming Lives... Enriching Society...

JSS COLLEGE OF ARTS, COMMERCE AND SCIENCE

JSS College of Arts, Commerce and Science (JSSCACS), Ooty Road, Mysuru, started in 1964, is the maiden First Grade College of JSSMVP, which was established by the 23rd Pontiff of Sri Suttur Math Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji. As a private, aided, co-educational, and multi-faculty College, JSSCACS is serving the society by providing the value added and skill based education in Arts, Commerce and Science disciplines. The College after recognized under 2f & 12(B) of UGC has reached different milestones. The College received initial accreditation as a ‘4-Star’ Grade by NAAC in 2001. Subsequently, it obtained Autonomous status in 2005, bolstering its growth. NAAC reaffirmed its progress, granting an ‘A’ Grade with a CGPA of 3.03 in 2008, coinciding with the establishment of the UGC-sanctioned ‘Buddha Study Centre.’ Further assessments in 2014 and 2018-19 led to successive re-accreditations with CGPAs of 3.04 and 3.21, respectively. In the 5th Cycle of assessment the College has been re-accredited by NAAC with A+ Grade with CGPA 3.30 in December 2024. Acknowledged as a ‘College with Potential for Excellence’ by UGC in 2010, it embarked on interdisciplinary research endeavors, securing a second-phase extension of the scheme from 2015 to 2020 due to its remarkable outcomes. The College was identified as ‘Biotechnology Finishing School (BTFS)’ by the Government of Karnataka, in the year 2011 for a period of 5 years to create skill based and industry ready resources. After successful completion of the first cycle, the College has been selected for running the second phase with the synonym of BTFS as BiSEP for the period 2017-2022. In the year 2015, UGC has sanctioned the ‘Deen Dayal Upadhyay Kaushal Kendra (DDU KAUSHAL Kendra)’ to offer B.Voc, M.Voc and PhD programmes. The campus comprises of College building with well furnished Classrooms, Laboratories, Auditorium, Library etc, Women’s Hostel, Sports

Ground, In-door Ground, Generator Rooms, Rain Water Harvesting and other facilities in 7.08 acres of area. The College has Optic Fiber internet connection with Wi-Fi and Firewall facility is provided all-over the college. JSS Radio 91.2 FM Community Radio Centre has been established in the campus with the assistance of Ministry of Information and Broadcasting, Govt. of India, in 2021 and the community related programs are being broadcasted every day. The College has rich faculty strength of 190 and out of which 64 are Doctoral and 4 are M.Phil degree holders. The faculty members are well supported by 61 non-teaching staff. The College offers Undergraduate, Postgraduate and Doctoral Degree Programmes in different disciplines. Under 18 UG Programmes, Bachelor of Arts (BA: 6)), Bachelor of Business Administration (BBA), Bachelor of Computer Application (B.C.A), Bachelor of Commerce (B.Com), Bachelor of Science (B.Sc: 6), and Bachelor of Vocational Programmes in Software Development, Food Processing & Engineering and Animation & Multimedia are being offered. Career Oriented Courses are also offered. The 17 Postgraduate programmes are MA in Kannada & English, M.S.W, M.Com, M.Sc in Biochemistry, Biotechnology, Chemistry, Computer Science, Mathematics, Physics, Botany, Zoology, Artificial Intelligence & Machine Learning and Data Science, M.Voc in Software Development and Food Processing & Engineering and Master of Computer Application (MCA). The College also offers PhD in Social Work, Kannada, English, Biochemistry, Biotechnology, Chemistry, Commerce, Mathematics, Physics, Botany and Zoology. In the overall strength of 3798 students, 2732 are in UG and 1002 are in PG programmes. There are 64 Ph.D scholars working. The National Education Policy 2020 (NEP-20) has been implemented in 2021-22 for UG Programmes. The College received grants for research activities of the faculty of different departments from various funding agencies: UGC, CSIR, ICMR, DST and VGST. The faculty members of the College have authored many textbooks and book chapters, served as editorial board members or referees for journals and resource persons/subject experts in many events. Teachers are highly expertise in their thrust areas of research as evidenced by spectrum of articles published. The maximum impact factor of a journal out of those articles published is around 9.0 and the highest author h-index is 19. The faculty members have actively participated and presented papers in various academic events.

MESSAGE FROM CHIEF EXECUTIVE AND PRINCIPAL

Dear Students, Parents, Stakeholders and Well-wishers,

It gives me immense pleasure to welcome you to JSS College of Arts, Commerce and Science, Mysuru, a multidisciplinary institution established in 1964 under the aegis of JSS Mahavidyapeetha, Mysuru. Over the decades, the College has evolved as a vibrant centre for quality education, research, innovation, skill development and community engagement.

The commitment to excellence is reflected in recognition as a ‘College with Potential for Excellence’ and NAAC A+ Grade with a CGPA of 3.30. As an autonomous institution, the College continuously enrich academic programmes in tune with emerging trends, industry requirements and the aspirations of learners, with emphasis on outcome-based, experiential and technology-enabled education.

The college believes that education should prepare students for both successful careers and meaningful lives. Accordingly, the College places strong emphasis on skill development, employability, internships, career guidance, research, innovation, entrepreneurship, communication, leadership and professional competencies. It is ensured that the multidisciplinary academic environment provides students with opportunities to explore diverse areas of knowledge and develop the capabilities required for higher education, employment and lifelong learning in the college.

The holistic development of students remains central to educational philosophy of the College. Academic learning is complemented by sports, cultural activities, clubs, extension programmes, community engagement and other co-curricular initiatives, enabling students to develop confidence, creativity, teamwork, leadership and social responsibility.

The growing research and innovation ecosystem encourages students and faculty to question, explore, experiment and create. Collaborations with universities, industries and research organisations like CFTRI further provide valuable academic and professional exposure. Through JSS FM 91.2 Community Radio, the College also actively contributes to knowledge dissemination, community awareness and social outreach.

The college recognises that every student is unique. The endeavour is to create a student-centred, inclusive and supportive learning environment where every learner can discover their potential, acquire relevant skills and pursue aspirations with confidence.

As it is looked ahead, the College remain committed to combining rich institutional experience with innovation, multidisciplinary learning, emerging technologies and future-oriented education. The goal is to empower young minds with knowledge, skills, values and confidence to become competent professionals, responsible citizens and future leaders.

I warmly welcome you to be a part of the JSS family and join us in continuing journey towards academic excellence, employability, research, innovation and service to the society.

Warm regards,

Prof. B. V. Sambashivaiah
Chief Executive & Principal

Vision

To be known as an institution providing need-based, skill-integrated, cost- effective, quality and holistic education, transforming the students into globally competitive, employable and responsible citizens and to be recognized as a centre of excellence.

Mission

- To create and acquire relevant knowledge along with skills and global competencies and disseminate the same among students.
- To provide holistic education through relevant curricula, programmes and pedagogic innovations focusing on employability and self-employment.
- To undertake research work contributing to the creation of knowledge, skills and its applications for sustainable development.
- To establish linkage and collaborations for the betterment of teaching, learning, research and extension
- To provide good infrastructure, human resource and necessary support-services for the betterment of students' progress and welfare.
- To promote national integration, human rights, universal brotherhood and community development activities through inclusive practices.

Objectives

- To determine and prescribe its own courses of study and syllabi, and restructure and redesign the courses to suit local needs, make it skill oriented and in consonance with the job requirements
- To prescribe rules for admission in consonance with the reservation policy of the state government/national policy
- To promote research in relevant fields
- To evolve methods of assessment of students' performance, the conduct of examinations and notification of results
- To use modern tools of educational technology to achieve higher standards and greater creativity; and
- To promote healthy practices such as community service, extension activities, projects for the benefit of the society at large, neighborhood programmes.

JSS Mahavidyapeetha, Mysuru-04

INSTRUCTIONS TO STUDENTS

1. **Programme Selection Guidance:** Students are advised to thoroughly review and understand the programme offerings and their prerequisites. Students are encouraged to seek guidance from faculty members to make informed decisions about academic path.
2. **Importance of Attendance and Participation:** Emphasize the significance of regular attendance and active participation in classes, labs, seminars, and extracurricular activities. These engagements contribute to your holistic learning and overall academic development.
3. **Adherence to Academic Integrity:** Students are hereby stressed about the importance of upholding academic integrity by discouraging plagiarism, cheating, or any form of dishonest behaviour. Students are called to adhere strictly to ethical standards in the academic endeavours.
4. **Utilization of Support Services:** Students are informed about the availability of support services such as libraries, counseling centers, career guidance, and other facilities. You are encouraged to utilize these resources for overall development.
5. **Code of Conduct and Campus Rules:** Students are directed to strictly follow the college's code of conduct, including guidelines for behavior, dress code, and adherence to campus rules and regulations. You are emphasized the importance of respecting diversity, maintaining discipline, and contributing positively to the college community.
6. **Dress Code:** Students enrolled in specific programs where uniforms are mandated must adhere to the specified uniform guidelines. For programs without a compulsory uniform, students are expected to maintain a standard of dress that is respectful and modest.

PROHIBITED ACTIVITIES

1. **Substance Abuse:** Consumption or possession of alcohol, drugs, or any illegal substances on campus premises.
2. **Smoking:** Smoking or vaping in college premises.
3. **Academic Dishonesty:** Engaging in plagiarism, cheating, or any form of academic misconduct in examinations or assignments.
4. **Disruptive Behaviour:** Engaging in disruptive activities that disturb classes, events, or the overall campus environment.
5. **Vandalism and Damage:** Damaging or defacing college property, including buildings, equipment, or any campus facilities.
6. **Violence or Threats:** Physical violence, threats, bullying, harassment, or any form of intimidation towards fellow students, faculty, or staff.
7. **Unauthorized Entry:** Unauthorized access or entry into restricted areas, buildings, or facilities without proper permissions.
8. **Noise Disturbance:** Creating excessive noise or disturbances that disrupt the learning environment or campus activities.
9. **Unauthorized Events:** Organizing or participating in events or gatherings without proper authorization or permission from college authorities.
10. **Misuse of Technology:** Unauthorized use of college technology for purposes such as hacking, distribution of malicious content, or any unethical online behavior.

CODE OF CONDUCT

At JSS College of Arts, Commerce and Science, we uphold the values of integrity, respect, responsibility, and collaboration. All stakeholders—students, teachers, administrative staff, parents, and outsiders—are expected to abide by the following Code of Conduct to foster a positive and conducive environment for teaching, learning, and overall engagement within the college community.

For Students:

1. **Respect and Integrity:** Treat peers, faculty, and staff with respect, kindness, and integrity, fostering a culture of inclusivity and support.
2. **Academic Excellence:** Uphold academic honesty, refrain from plagiarism, cheating, or any form of academic dishonesty, and actively engage in learning and scholarship.
3. **Campus Behaviour:** Abide by the college's rules and regulations, maintaining decorum, and refraining from any behaviour that disrupts the learning environment or infringes upon others' rights.
4. **Personal Responsibility:** Take responsibility for personal actions, decisions, and academic progress, contributing positively to the college community and its activities.
5. **Collaboration and Contribution:** Actively participate in campus life, extracurricular activities, and academic forums, contributing constructively to the college's growth and development.

For Teachers:

1. **Professionalism:** Demonstrate professionalism, fairness, and respect in interactions with students, colleagues, and staff, fostering an environment conducive to learning.
2. **Quality Education:** Deliver high-quality education, support students' academic growth, and provide fair, constructive, and timely feedback.
3. **Ethical Standards:** Adhere to ethical teaching practices, ensuring impartiality, transparency, and fairness in assessments and evaluations.
4. **Continuous Learning:** Engage in ongoing professional development, upgrading teaching methodologies, and subject expertise to enhance teaching effectiveness.
5. **Collegial Collaboration:** Foster collaboration, teamwork, and positive relationships among colleagues and staff, contributing to a harmonious work environment.

For Administrative Staff:

1. **Service Excellence:** Provide efficient, courteous, and supportive service to students, faculty, and visitors, fostering a welcoming atmosphere within the college.
2. **Compliance and Confidentiality:** Adhere to administrative protocols, maintain confidentiality in handling student records, financial matters, and administrative affairs.

3. **Team Collaboration:** Work collaboratively and cooperatively with colleagues, demonstrating professionalism, respect, and a commitment to excellence in administrative responsibilities.
4. **Resource Management:** Efficiently manage resources, facilities, and administrative tasks, ensuring smooth functioning and support for college operations.
5. **Descent Service:** Engage with stakeholders positively, addressing their queries, concerns, and needs with professionalism and empathy.

For Parents:

1. **Supportive Role:** Encourage and support child's educational pursuits, emphasizing the importance of academic commitment, integrity, and responsibility.
2. **Respect for College Policies:** Understand, respect, and support the college's rules, regulations, and guidelines, cooperating with the institution for their child's academic progress.
3. **Communication and Engagement:** Maintain open communication with college authorities, engaging constructively in matters related to their child's education, development, and well-being.
4. **Positive Reinforcement:** Provide encouragement and positive reinforcement to their child for active participation in academic and extracurricular activities.
5. **Role Modelling:** Serve as positive role models, displaying respectful and supportive behaviour towards the college community, faculty, and staff.

For Outsiders:

1. **Respect for Campus Environment:** Conduct oneself respectfully and courteously while on campus, adhering to the college's rules, regulations, and guidelines.
2. **Compliance with Guidelines:** Follow visitor protocols, security measures, and instructions provided by college authorities during any visit or interaction on campus.
3. **Professional Conduct:** Maintain professionalism and respect when interacting with college students, faculty, or staff, fostering a positive and constructive environment.
4. **Confidentiality and Privacy:** Respect the confidentiality of college-related matters and student information, refraining from unauthorized disclosure or discussion.
5. **Adherence to Policies:** Abide by the rules, policies, and instructions communicated by college authorities during any engagement or interaction within the college premises.

General Rules and Regulations for Admissions

- Applications are usually issued during the month of April/May.
- Candidates for admission should submit the prescribed application, duly filled in before the last date. Incomplete applications will be rejected.
- Admissions are given only for one academic year. The institution has the right to cancel admission, if necessary, in the middle of the academic year.
- Admission will be considered provisional till they are approved by the Principal / Governing Body of the Institution.
- Deposits and fee will not be refunded if the student leaves the college in the middle of the academic year.
- Documents submitted by the candidate at the time of admission or later will be returned if fee for the entire academic year is paid.
- The college may admit students from outside University of Mysore provided the student fulfils conditions prescribed by the University for this purpose.

The following documents should be submitted at the time of admission

- Transfer and conduct certificates (in original).
- The Karnataka PUE Board (or its equivalent) Grade certificate and date of birth proof in original or a provisional certificate.
- Candidates who have passed an examination other than the Karnataka PUE Board should produce eligibility certificate obtained from the college.
- Three passport size photographs.
- Community / Caste certificate in original and two Xerox copies attested by a Gazetted Officer.
- Candidates appearing for interviews should be prepared to pay fees within a specified time, if they are selected in the interview.

Library Rules

- Borrower's cards will be issued to every student at the beginning of the year. It is not transferable. It should be surrendered at the end of the year.
- Admission to the library is only on the production of Identity Card.
- Books will be issued as per the time-table framed for this purpose.
- Books returned late will be liable for a fine of 1.00 rupee per book per day.
- Duplicate identity card will be issued on payment of prescribed fine.
- Duplicate Borrower's Card will be issued on payment of prescribed fine.
- Books should be returned in proper condition, failing which fine may be levied.
- Books meant for Reference, Encyclopedia and Competitive examinations are not allowed to be taken out.
- A student can keep the books for not more than two weeks. He/She can, however, return the books earlier.
- The Borrower's cards are to be surrendered at the time of borrowing books and claimed back when the books are returned.
- The students must maintain discipline and complete silence both in the Library and the Reference Section.
- Newspapers and periodicals are to be returned in sound condition, failing which fine will be levied.

PG PROGRAMMES-ELIGIBILITY

Sl. No.	PROGRAMMES	ELIGIBILITY
1	M.Sc. PHYSICS	B.Sc. with Physics as Major/Optional Subject or B.Sc., B.Ed. degree of Regional Institute of Education with Physics as a special subject.
2	M.Sc. CHEMISTRY	B.Sc. with Chemistry as one of the Major/Optional subject provided the candidate has studied Mathematics as one of the optional subjects in PUC or equivalent.
3	M.Sc. MATHEMATICS	B.Sc. with Mathematics as Major / Optional subject or B.Sc., B.Ed. degree of Regional Institute of Education with Mathematics as a special subject.
4	M.Sc. BOTANY	B.Sc. with Botany as a Major/Optional Subject.
5	M.Sc. ZOOLOGY	B.Sc. Degree with Zoology as a Major/Optional subject or B.Sc. B.Ed. with CBZ (Regional Institute of Education) or equivalent.
6	M.Sc. COMPUTER SCIENCE	B.Sc. with Computer Science/ Computer Applications/ Computer Maintenance / BCA / B.Voc in Software Development degree from recognized University Or equivalent to this from any other recognized University in India or Abroad. Minimum aggregate marks of 45% (5% relaxation in case of SC/ST and Cat-1 Candidates).
7	M.Sc. BIOCHEMISTRY	Students with a Bachelor of Science degree with Biochemistry / Chemistry / any Life Science subjects recognized by the UGC. Students from Foreign Countries will apply through the Equivalence Committee of the University of Mysore. Minimum percentage of marks is as prescribed by the University of Mysore regulations for admission.

8	M.Sc. BIOTECHNOLOGY	Bachelor's degree in Science including Agriculture, Pharmacy, Chemical Engineering, Medicine, Veterinary, Dairy, Fisheries, Horticulture, Forestry from any University recognized by UGC/ICAR/AICTE/Medical Council with an aggregate minimum of 55% marks (5% relaxation in case of SC, ST and Cat-1 candidates).
9	M.Com	B.Com/B.B.M/B.B.A. of this University or any other University considered as equivalent there to. For general merit candidates 45% of the aggregate marks and 40% for SC/ST/Cat-1 candidates).
10	MSW	B.S.W., B.A./B.Com./B.Sc/B.B.M./B.C.A/L.L.B. of this University or of any other University recognized as equivalent there to. For general merit candidates 45% of the aggregate marks and 40 % for SC/ST/Cat-1 candidates.
11	MA –KANNADA	B.A/B.Sc./B.A. Performing Arts, with Kannada as Major / Optional subject OR Degree with Post Pre-University Diploma in Kannada OR Pandit Examination of Karnataka Government OR B.Ed. Degree with S.S.L.C. and Vidwat Examination of the University of Madras. Students must have secured a minimum of 45% marks for General Merit and 40 % marks for SC/ST/Cat -1 students. Students who have studied Kannada only as a language subject are not eligible for admission.
12	MA-ENGLISH	Students who have studied English as an Optional Subject in BA (Performing Arts) or hold a BA/ B.Ed., degree from the Regional Institute of Education or a Post Graduate diploma in English from a recognized University are eligible for admission. Students must have secured a minimum of 45% marks for General Merit and 40 % marks for SC/ST/Cat -1 students. Students who have studied English only as a language subject are not eligible for admission.
13	M.Voc IN FOOD PROCESSING & ENGINEERING	B.Sc. Degree with Physics, Chemistry and Mathematics as Major / Optional Subjects or B. Pharma / B.Sc with Food Science & Nutrition/ Home Science/ Biotechnology/ Chemistry / Biochemistry/ Microbiology/ other Life Science subjects provided the candidates have studied Mathematics as one of the optional subjects in the Two year P.U.C. or equivalent or B.Sc. (Ag) or B.Tech /B.E (Food Nutrition and Dietetics / Food Process Engineering / Agriculture Engineering / Chemical Engineering / Biotechnology / Bioinformatics) from recognized University with an aggregate minimum of 45% for general merit and 40 % in case of SC/ST/Cat -1 or equivalent grade.
14	M.Voc in SOFTWARE DEVELOPMENT	B.Sc. Degree (from Recognized University / Open University) with Computer Science / Computer Applications /Computer Maintenance / Electronics as an optional OR BCA Candidates should have studied Mathematics as a major or minor subject in their BCA / B.Sc Degree. Or a Degree in B.Sc (IT) or PG diploma in electronics, computer Science and Information Technology OR B.E/ B.Tech in (IT/IS/CS). Or B.Voc in Software Development Degree from recognized University or any other degree equivalent to this from any other recognized University in India or abroad.

15	MCA	BCA or B.Sc. / B.E/ B.Tech Degree in Computer Science or B.Sc/ B.Com/ BA Degree in any subject with Mathematics. General merit candidates should secure minimum 50% aggregate. Reserved category candidates (SC/ST/Category-1, Karnataka) should secure 45% aggregate.
16	M.Sc. AI & ML	The candidate seeking admission to M.Sc. (AI & ML) should have passed an Undergraduate degree in Computer Science / Computer Applications Or B.Voc with Computer Science / Computer Applications / Information Technology / Web Technologies, B.Sc. (Data Science) & B.Sc. (Artificial Intelligence / Machine Learning) Or UG Degree in Engineering or Technology in CSE/ECE/EEE/ E & I/ IT with 50% of marks (inclusive all subjects)
17	M.Sc. DATA SCIENCE	The candidate seeking admission to M.Sc. (Data Science) should have Bachelor's Degree in Computer Science, Computer Applications Or B.Voc with Computer Science / Computer Applications/ Information Technology/ Web Technologies, B.Sc.(Data Science) B.Sc. (Artificial Intelligence/ Machine Learning) Or Bachelor's Degree in Engineering or Technology in CSE/ECE/EEE/E & I/IT with 50% of marks (inclusive all subjects).

Admissions to PG Programmes (Except for MCA)

- PG entrance examinations conducted by University of Mysore is compulsory.
- Candidates qualified in the entrance examination have to apply to university quota (online) and college quota (online/offline) separately with all necessary documents along with the receipt of application fee.
- 50% of the seats filled by University of Mysore through centralised admission cell as per merit and roster policy.
- Remaining 50% of the seats will be filled by the college following merit cum roster policy.

Admissions to MCA Programmes

Admissions are on par with AICTE norms following the selection process done by Karnataka Examination Authorities (KEA) through entrance test.

Fee structure: [Visit the college website](#)

DOCTORAL (Ph.D) PROGRAMMES

Sl. No.	PhD Programme	Affiliated to	Eligibility & Duration
1	Kannada	University of Mysore, Mysuru, Karnataka, India	As per the regulations and guidelines of UGC and University of Mysore

NATIONAL SERVICE SCHEME

The National Service Scheme (NSS) is a revered public service initiative sponsored by the Indian Government through the Ministry of Youth Affairs and Sports. Its inception during Gandhiji's centenary year in 1969 underscores its historical significance. NSS stands as a voluntary platform within colleges, dedicated to fostering students' holistic development through active engagement in community service.

The NSS at our college exemplifies exceptional proactivity and unwavering dedication to societal welfare. Over the past five years, NSS has garnered numerous awards and accolades, celebrating its substantial contributions to society. Through their committed service, NSS volunteers are not only contributing significantly but also cultivating invaluable leadership skills and a sense of patriotism.

The NSS program serves as a cornerstone in shaping individuals who not only contribute actively to societal welfare but also emerge as leaders infused with a strong sense of patriotism and dedication to community service.

Distributed essential things and learning materials to Haadi students

Distributed Learning Materials to adopted Govt. Primary School students of Kadavaddaragudi

Plantation at Adopted Govt. Higher Primary School, Mantihaadi

Conducted Dental and health checkup camp at Mantihaadi

Painted to Adopted Govt. Higher Primary School (GHPS), Basavanahalli village

Lakshmanatheertha river cleaning at K S Gaddige

Plastic collection at K S Gaddige

Food kit donation

Plantation activities at villages

Desktop donation to GHPS, Aswalu

The College actively encourages NSS volunteers to participate in competitions at national and other levels. Through the proactive efforts of the volunteers and the coordinator, their dedicated social service has been recognized, earning them the distinction of Best Social Workers from *Environmental Solutions, Chennai, Tamil Nadu*.

NATIONAL CADET CORP

The National Cadet Corps (NCC) stands as the premier Indian Military Cadet Corps, headquartered in New Delhi. This voluntary organization selectively enrolls cadets from high schools, colleges, and Universities nationwide. Cadets undergo comprehensive training encompassing basic military techniques, small arms handling, and parade drills. Upon completion of their course, officers and cadets are relieved from active military service obligations, yet they enjoy preference over general candidates in selection processes owing to their achievements within the corps.

Established in 1966, the NCC Company 2/14 KAR BN NCC at JSS College of Arts, Commerce & Science, Mysore -25, boasts a robust strength of 160, inclusive of SD and SW. The company marked its silver jubilee in 1991-92, upholding disciplined training that fosters national unity and integrity through the embodiment of NCC ideals. Evidencing consistent progress since inception, the NCC at the college provides a platform for students to imbibe discipline and embrace responsibilities towards nation-building.

Participation in prestigious events like the Republic Day parade, PM Rally, Talsainik Camp, among others, enriches the students' experience. The college extends ample opportunities for students to engage actively in NCC activities. Furthermore, the commendable achievements of the college NCC officer and Cadets have garnered several accolades, including the Chief Minister Commendation award and the best NCC team award, affirming the dedication and excellence within the program.

The achievements of our cadets in national camps like RDC, YEP, IMA and also in Special Adventure Course for the year 2025-26 are hall marks of NCC.

PLACEMENT CELL

The Training and Placement Cell at our college plays a pivotal role in guiding UG and PG students towards successful career paths. Operating round the year, it facilitates connections between students and industries, offering tailored training programs and career guidance. Activities include seminars, workshops on interview skills, coordinating placements, and organizing job fairs. Regular meetings with HRs and TPOs aim to promote recruitments, while aiding students in academic and career clarity. The cell proudly lists placed students from renowned companies like Infosys, Wipro, and ICICI bank etc. Potential recruiters encompass various sectors from IT to banking, ensuring diverse opportunities for aspirants.

The activities of placement during recruitment drives has the following pathway:

COMPETITIVE EXAMINATION TRAINING (CET) CELL

The college's Competitive Examination Training (CET) Cell provides severe training for students. The Training Program, tailored for aspirants eyeing entry into All India Services or State Civil Services, currently provides weekend sessions. Candidates must commit at least seven hours daily for study and training. Admission hinges on a written test and individual interview, accepting only the top 100 candidates based strictly on merit.

The comprehensive program features weekend classes in various streams, supplemented by mock tests, expert-led sessions, and essay evaluations. Participants receive a daily dose of editorials, current affairs, and summaries of Yojana, Kurukshetra magazines, Economic Survey, and PIB updates.

The curriculum focuses on both Preliminary and Mains examinations, instilling analytical skills for multiple-choice questions, in-depth coverage of general knowledge, and language proficiency. Training extends to optional subjects including Geography, Public Administration, History, Sociology, Economics, and Kannada Literature.

Furthering the training, the program aligns with the Karnataka Civil Service Examination syllabus, preparing candidates with an identical approach. Additionally, it equips participants for various competitive examinations like Staff Selection Commission, CDS, Banking Exams, RRB, and more. Personality development sessions fine-tune interview skills, etiquette, language, and emotional acumen for successful assessments.

Weekend Classes (2025-26)

Sl. No.	Date	Topics Covered	Resource Persons	No. of students participated
1	01/03/2025	Karnataka History	Sunil Kumar KC Assistant Professor	55

JSS COMMUNITY RADIO STATION 91.2 FM

JSS Radio 91.2 FM, established under the auspices of His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, aims to serve the community with diverse programs. Approved by the Ministry of Information and Broadcasting, Government of India, this community radio prioritizes National Health, social development, education, culture, and heritage awareness. Inaugurated by Dr. L. Murugan, Minister of State for Fishery, Animal Husbandry, Dairy, and Information and Broadcasting, the station broadcasts daily from 7 am to 8 am & 4 pm to 5 pm. The programs span a wide spectrum including arts, environmental awareness, emerging talents, science education, moral teachings, health awareness, and insights into India's Constitution and government schemes.

CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES

College places immense emphasis on fostering holistic development among students beyond academics. The institution actively promotes co-curricular and extracurricular activities, providing a platform for students to explore their talents and interests. The College hosts a vibrant array event encompassing arts, culture, sports, technology, and social causes. These platforms encourage students to engage in debates, cultural fests, hackathons, sports meets, community outreach programs, and more, nurturing their leadership, teamwork, and creative skills.

ALUMNI ASSOCIATION

College boasts a robust Alumni Association that serves as a valuable network connecting past and present students. The association organizes alumni meets, workshops, mentoring sessions, and career guidance programs, fostering a strong bond between the institution and its graduates. Alumni members actively contribute their expertise and experiences, supporting current students in their academic and professional journeys.

STUDENT SUPPORT

Students are provided comprehensive support through various committees that cater to their academic, social, and personal welfare. The Grievance Appeal Redressal Cell ensures a platform for students to address and resolve any grievances they may have, promoting a conducive and supportive environment. The SC/ST and OBC Committees focus on the specific needs and concerns of marginalized groups, ensuring their rights and providing necessary assistance. The Anti-Ragging Committee maintains a zero-tolerance policy towards any form of harassment, ensuring a safe and secure campus for all. Additionally, the institution has an array of committees spanning academic, cultural, sports, and social domains. These committees, including the Career Guidance and Placement Cell Committee, Alumni Association, Disciplinary Committee, and various others, actively engage with students, offering guidance, mentorship, and avenues for personal and professional growth. Through these committees, students receive multifaceted support, enabling them to excel academically and personally while contributing positively to the campus community.

The details about various Non-Statutory Cells may be found at the following URLs:
