## About Jagadguru Sri Veerasimhasana Mahasamsthana Math, Sri Suttur Kshetra

Jagadguru Sri Veerasimhasana Mahasamsthana Math at Sri Suttur Kshetra is a pilgrim centre, which has a history of more than a thousand years. The Pontiffs of the Math have devoutly dedicated themselves to the spiritual and educational development of people of all religions and faiths.

The Math itself has been a seat of knowledge and wisdom and has worked ceaselessly for human welfare since its inception.

Suttur Math can be aptly described as an active ongoing movement that upholds the cause of social and economic justice, based on spiritual ideals, as propagated by the great Shaivaite thinkers. It is no wonder today the Math's activities and influence has spread far beyond the small region on the banks of the River Kapila in Karnataka and reached communities not merely in other parts of India but in many countries of the world.

For over a thousand years now, Pontiffs of great eminence have led the Math- each one committed to serving society in his own chosen way. This has contributed to the spiritual enrichment of its followers and has helped social and economic uplift. The Math's growth is a reflection of the social and spiritual progress of its followers, and as such it is more a process than an event.

The Math propagates a religious and spiritual faith that is distinctly known as the Veerashaiva faith. This faith has found expression through the teachings and words of countless saints and seers as well as writers and philosophers. The pure essence of Shiva worship is: 'tolerance towards all living beings' and 'regarding work as the means of worship.' These are the twin philosophical principles of the Veerashaiva faith which have been instrumental in bringing about reforms of tremendous social significance as initiated by Sri Basaveshwara in the 12<sup>th</sup> century.

Sri Suttur Math is today regarded as one of the leading organisations for the continuance of Veerashaivism, disseminating the ideals of universal brotherhood and striving to spread human values and ethics across the world through an array of activities – spiritual, cultural and educational.

## **Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji**

His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji, the 23<sup>rd</sup> pontiff of the Srimath, was born on 29.8.1916 and ascended the holy seat on 24.02.1928 when he was hardly twelve years. He took up the responsibilities of the Srimath along with his guru Manthra Maharshi Jagadguru Sri Shivarathreeshwara Mahaswamiji.

A firm believer in the good of one and all, he was at the helm of affairs of the Srimath for more than half a century – a period full of events and activities. He sought nothing but the welfare of all.

He completed his primary education at Suttur and studied Sanskrit in Mysuru at a young age. During this time, Swamiji engaged in lengthy spiritual and academic discussions with spiritual leaders. To pursue higher education, Swamiji went to Varanasi. However, as per his predecessor's desire, His Holiness Jagadguru Sri Shivarathreeshwara Mahaswamiji and Sri Gowrishankara Mahaswamiji of Panchagavi Math, he returned to Mysuru to continue his studies and get involved in social service.

He was a scholar in Kannada and Sanskrit and a patron of art and literature. He was thoughtful and sensitive to an astonishing level. Unlike others, he had mastered the art of turning every good thought into reality. The wisdom of all his predecessors culminated in him. Every step he took was a step forward in search of new areas of service. That is how he could build a galaxy of educational institutions. He served society tirelessly, without any selfish ends. His Holiness started a hostel in the 1940s at Niranjanalaya (his rented residence) for needy students in Mysuru. Primary Schools, High Schools, PU Colleges, Degree Colleges, Engineering Colleges, Medical Colleges, etc., soon followed. He also established many Trusts and Societies, such as JSS Medical Service Trust, Sri Shivarathreeshwara Rural Development Foundation, JSS Sangeetha Sabha, Shivarathreeshwara Endowment Trust, Akhila Bharatha Sharana Sahitya Parishath, etc. that catered to many social needs.

Sri Rajendra Swamiji, who succeeded the Srimath with a great legacy, did not limit himself to religious activities but responded to the problems of inequality, poverty and misery in society. The services of the Srimath were extended accordingly to the community's needs. Before India attained independence, Swamiji had identified that lack of knowledge was the cause of several problems faced by the masses and thus started the JSS Mahavidyapeetha (1954) to provide education. Under the aegis of JSS Mahavidyapeetha, he began schools and colleges for Jnana Dasoha (education), hostels for Anna Dasoha (boarding and lodging) and hospitals for Arogya Dasoha (health services) that led to overall social development. He was

compassionate in supporting the poor and the oppressed and provided opportunities to thousands who needed shelter.

The early period of his pontification was challenging. It was often said that he had to struggle relentlessly to get even a small work done. A single-minded dedication to a task aimed at the welfare of all prompted him to tread the path of sacrifice. His Holiness attained heavenly abode on 6th December 1986, and his shrine can be visited at Suttur.

Sri Jayachamarajendra Wadiyar conferred on His Holiness the title of 'Rajagurutilaka' in 1970 as a recognition of his immense contribution to society. Posthumously, Sri Shivaratri Rajendra Mahaswamiji was awarded an honorary doctorate by the University of Mysore in 1989.

All accomplishments of knowledge, health, food, shelter etc, established by Sri Shivarathri Rajendra Mahaswamiji are growing to the sky high under the able leadership and blessings of His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the 24<sup>th</sup> and present pontiff of Srimath.

### **About JSS Mahavidyapeetha**

The origin of JSS Mahavidyapeetha (JSSMVP), a formidable educational movement, can be traced to the establishment of a small hostel in 1928 to cater to the accommodation needs of students pursuing higher studies in Mysore.

His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji established the Jagadguru Sri Shivarathreeshwara Mahavidyapeetha (JSSMVP) in 1954 which was registered under the Societies Registration Act 1960. Focusing on a purpose as expansive yet specific as improving quality of life through Human Development, the JSS Mahavidyapeetha has grown from strength to strength. A long and healthy life, Education for all and a decent standard of living, the indicators of Human development, have been the underlying philosophy of Jagadguru Sri Veerasimhasana Mahasamsthana Math, Suttur Sriksheethra for centuries. This is also the philosophy for which the Mahavidyapeetha today stands for. JSSMVP has the objective of providing education and health care especially to the rural mass. JSSMVP witnessed enormous growth in the field of Education and today has over 300 institutions under its fold, from kindergartens to postgraduate centres and postdoctoral research catering to the educational needs of more than 1,00,000 students.
