REPORT ON ENGLISH LANGUAGE LAB

2022-2023

The Language Lab was established in 2007, over the past decade, the language lab has become a cornerstone for language learning, integrating technology, and specialized software to enhance clarity in English and foster personal development. The language lab has been equipped with 28 computers, creating a conducive environment for interactive and technology-driven language learning. The infrastructure ensures that students have access to state-of-the-art tools for honing their language skills.

The language lab proudly incorporates the Clarity English software, a powerful tool designed to improve various aspects of English proficiency. This software caters to vocabulary expansion, grammar enhancement, and listening comprehension, providing a comprehensive approach to language learning.

Over the years, the language lab has witnessed numerous success stories. Students utilizing the lab have demonstrated remarkable improvements in pronunciation, fluency, and overall language competence. The integration of Clarity English has been instrumental in achieving these milestones, making the language lab a hub for linguistic excellence.

Looking ahead, the language lab aims to explore emerging technologies and methodologies in language education. Virtual reality integration, collaborative online platforms, and artificial intelligence applications are being considered to further enrich the language learning experience.

REPORT ON ENGLISH LANGUAGE LAB

2021-2022

The language laboratory is a very helpful tool for practicing and assessing one's speech in any language. It provides a facility which allows the student to listen to model pronunciation, repeat and record the same, listen to their performance and compare with the model, and do self-assessment. The language laboratory allows every participant his or her privacy to speak and listen.

Objective:

- 1. To equip the students with good communication skills.
- 2. To emphasize the need of English in the technical world.
- 3. To prepare them for interviews and future job environments

The English language Lab established in 2007. Language lab is powered by Personality Development and Clarity English Success Software, equipped with 28 computers and audiovisual aids to refine the linguistic skills of the students. The lab can accommodate 28 students at a time and provide adequate facilities for effective teaching and learning of various aspects and skills of English language.

REPORT ON ENGLISH LANGUAGE LAB

2019-2020

The language laboratory plays an important role in the language learning process. As it is a

technological aid for learning, it has a number of advanced facilities that can help a student to

learn a language with proficiency to communicate. Digital Language Lab is a unique State of Art

solution developed to improve communication of all level of students by concentrating on basic

language learning skills i.e. Listen, Speak, Read and Write (LSRW). It helps to improve oral as

well as written skills of student. It teaches how English can be used in day-today activities.

Using the Language lab; student can improve the command over their language, gain confidence

and get ready for real world challenges like facing interviews, doing presentations, expressing

thoughts, etc. Digital Language Lab involves students to actively participate in language learning

exercises and get more practice than otherwise possible in a traditional classroom environment.

The software comes with complimentary study material for self-practice, assignments, audio,

video presentations and clippings, etc.

The English language Lab established in 2007. Language lab is powered by Personality

development Software, equipped with 28 computers and audio-visual aids to refine the linguistic

skills of the students. The lab can accommodate 28 students at a time and provide adequate

facilities for effective teaching and learning of various aspects and skills of English language.

JSS COLLEGE OF ARTS, COMMERCE & SCIENCE OOTY ROAD, MYSURU-570 025 KARNATAKA

REPORT OF LANGUAGE LAB 2018-2019

The college has a well - functioned language lab that facilitates students to practice the language via computer-based exercises and activities. The language lab interactive courses provide a very different experience from the traditional system of teaching and learning English, offering more advanced features and functionalities. The lab offers the students a structured elearning environment to practice English in an entertaining and interactive way to acquire the main language skills such as listening, speaking, reading, and writing. The effective use of the lab will enhance their active vocabulary and improve their proficiency in speaking the language.

The English language Lab established in 2007. Language lab is powered by Personality development Software, equipped with 28 computers and audio-visual aids to refine the linguistic skills of the students. The lab can accommodate 28 students at a time and provide adequate facilities for effective teaching and learning of various aspects and skills of English language.
