

A report on the State level webinar on “Impact of Covid-19 on human health” held on 11th September 2021

A state level webinar on “Impact of Covid-19 on human health” on 11th September 2021 was organized by the Department of Zoology (UG & PG) with the support of JSS Mahavidyapeetha and JSS College of Arts, Commerce and Science, Ooty road, Mysore. The convenor of the program being Dr. Navyashree B and the Organizing secretary Dr. Ramyashree M, HOD of Department of Zoology UG and PG respectively.

The inaugural session of the webinar started at 11 am on 11th September 2021 with the invocation by Ms. Sannidhi of Final year B.Sc, followed by introduction to the webinar by Dr. Nijagal B.S, Moderator of the program. The programme continued with the welcome speech by Dr. H.C. Honnappa, Principal JSSCACS, Principal welcomed all the dignitaries, the President of the program Prof Sambashivaiah, Chief executive, JSSCACS, Resource persons of the technical session Prof C.K. Ramesh, Professor, Department of Biotechnology, Sahyadri Science college, Shimoga and Prof Shivabasavaiah, Director, Dr. B.R. Ambedkar PG Centre, Chamarajanagar, organizers and all the registered participants to the program.

Prof Sambashivaiah, Chief executive JSSCACS and President of the webinar gave the presidential remarks. Dr. Navyashree B, HOD Department of Zoology (UG) and Convenor of the webinar gave a formal vote of thanks to all the dignitaries, resource persons for readily accepting the invitation to the webinar, Prof Sambashivaiah and Dr H.C.Honnappa for their encouragement, support and guidance in organizing the webinar, registered participants, Sri Yogesh Department of Animation and Sri Mallesh Department of Computer Science for their technical support, all the faculty members of the Department of Zoology (UG and PG) for their continuous support in organizing the webinar.

The inaugural session was followed by two technical sessions. The resource person for the technical session was Prof. C.K. Ramesh, Professor, Department of Biotechnology, Sahyadri Science college, Shimoga and Prof Shivabasavaiah, Director, Dr. B.R. Ambedkar PG Centre, Chamarajanagar respectively. Introduction to the resource persons was given by Dr. Ramyashree M, Organizing secretary of the webinar. The first technical session was by Prof. C.K. Ramesh, the topic was “Covid Vaccine platforms” where he briefed the participants regarding the covid vaccines. The session was informative to the young participants as the present day situation needs education regarding, covid-19, its transmission and preventive measures from the virus, types of vaccines, working of different set of vaccines available in market. The session was followed by discussion and clarification to the questions posed by registered participants. The resource person cleared the queries of all the participants and thanked the management, college authorities and the organizers for giving the opportunity.

The resource person for the second technical session was Prof Shivabasavaiah, the topic was “Effect of Covid-19 on human reproduction” the introduction of the resource person was given

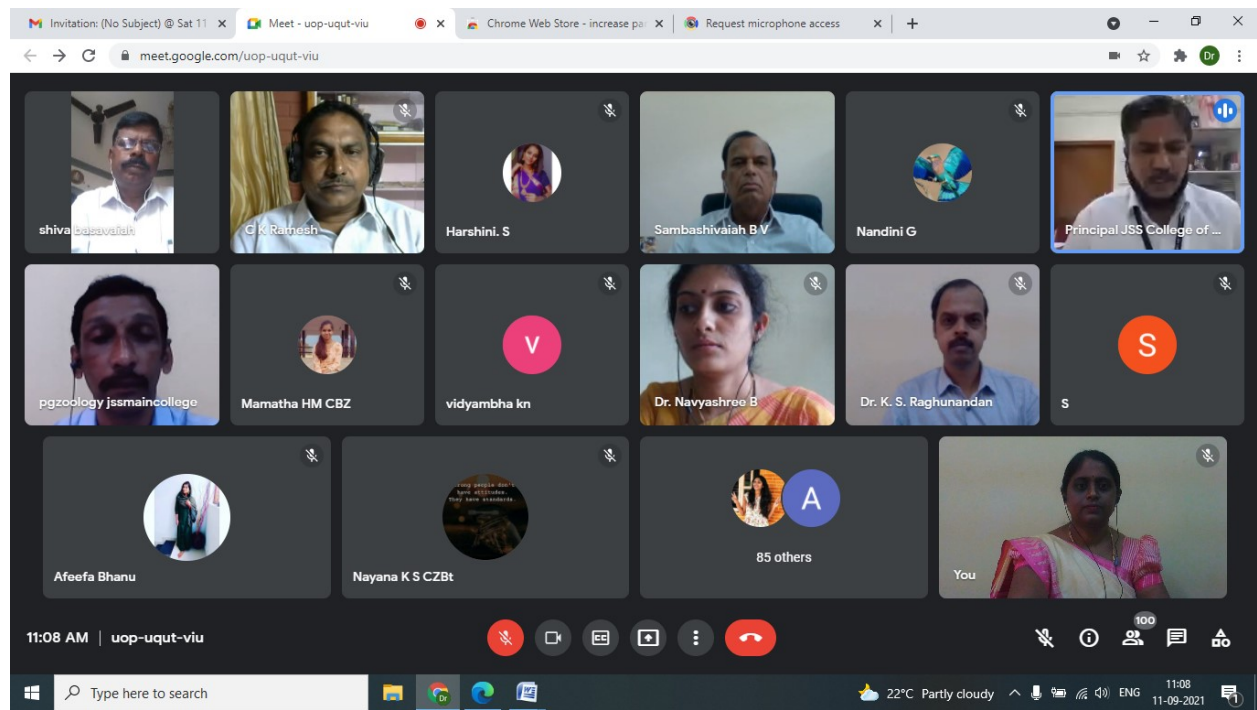

by Dr. Ramyashree M. The speaker gave elaborate information on the effect of covid-19 on human reproduction. This was an informative session as the present generation was given a clue on how covid virus also responsible for the functioning of the reproductive organs. Whether pregnant and breast feeding ladies are suggested to take the vaccines. How does it affect the foetal development and newborn. At the end of the technical session the resource person cleared the queries of all the participants and thanked the management, college authorities and the organizers for organizing the webinar.

At the end of the technical session Dr. Nijagal thanked the resource persons, Prof. C.K. Ramesh and Prof Shivabasavaiah for readily accepting the invitation and gracing the occasion.

Thus more than 210 participants had registered for the webinar and 100 participants had attended the webinar due to limit in the Google meet platform.

The program was a grand success with the encouragement and guidance given by Prof Sambashivaiah, Chief executive, JSSCACS and Dr. H.C. Honnappa, Principal JSSCACS.
