**REPORT ON ENGLISH LANGUAGE LAB**

**2021-2022**

The language laboratory is a very helpful tool for practicing and assessing one's speech in any language. It provides a facility which allows the student to listen to model pronunciation, repeat and record the same, listen to their performance and compare with the model, and do self-assessment. The language laboratory allows every participant his or her privacy to speak and listen.

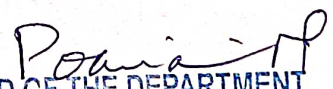

Objective:

1. To equip the students with good communication skills.
2. To emphasize the need of English in the technical world.
3. To prepare them for interviews and future job environments

The English language Lab established in 2007. Language lab is powered by Personality Development and Clarity English Success Software, equipped with 28 computers and audio-visual aids to refine the linguistic skills of the students. The lab can accommodate 28 students at a time and provide adequate facilities for effective teaching and learning of various aspects and skills of English language.
