Satisfactorily

There is no discipline in your campus

College is teaching us only to pass exams but no extra cultural activities and they have not even once taken us for industries
We need exposure to cultural activities industries and other such domains as well

Teaching must be improved

The college and the department was very good learn and grow. Its very helpful if they provide placement for the students in the good company's.

Excellent college

Well experienced

Need webinar, conference

Students don't get sufficient time to learn something new after college hours coz the experience in the college makes us feel very tired without even learning some new topics, reduce the college hours!!!!!! Please allow us to learn by ourselves too.

Not ok

Give good placements opportunities in our college.

It's good,the institution helps in the overall development of a student,but there is a necessary to maintaining a hygiene in the areas like washroom and canteen .

Teachers and other college staffs should have good communication between them to at least solve the queries of students.

Encouragement should be given to the students for co curricular activities.

The teaching style of the teachers must be improved, mainly focusing on practical methods.

No
