"Special and required skills need to be adapted along with education"

Prof. B. Mahadevappa

Prof. B. Mahadevappa said that in this era, students need to be highly skilful in order to be successful in their life. They have to be the job providers and not the job seekers. To fulfil this mission, they are to be educated at the college level itself and necessary training has to be given to make them successful entrepreneurs of tomorrow. Giving the examples of successful entrepreneurs like Mark Zuckerberg and others, he called upon the youth to take up the career seriously and decide what they want to be in future.

Prof. B. Mahadevappa, Department of Studies in Commerce, University of Mysore, Mysuru spoke after inaugurating the "One Day Online Workshop on Entrepreneurship and Skill Development" organized by JSS College of Arts, Commerce and Science, Ooty Road, Mysuru-25 on 20 December 2021 under the aegis of IQAC in collaboration with Industry Institute Interaction Panel of Mysuru Chapter.

Presiding over the inaugural programme, Prof. B.V. Sambashivaiah, Chief Executive of the College felt that entrepreneurship and skill development programmes have to frequently organized to enlighten the students for various aspects of industrial and business activities. He mentioned about the provisions made by Governments of India and Karnataka to provide the skill education under various schemes. He also highlighted about the importance of vocational education in relevance to the theme. The success of the nation always depends on the success of its youths. The time is not far for India to become a skilful nation. Entrepreneurship skills are also very phenomenal in the overall development of the individual as well as society.

The one day e-workshop has witnessed four Technical Sessions by eminent industrialists like Sri Vikram Hebbar of JK Tyres Ltd; Dr. Dharmaprasad of Prosetta Bioconformatics Ltd.; Sri B.S. Prashanth of Safe Wheels Pvt. Ltd. and Sri Shivashankar B of SJCE-STEP, Mysuru. Around 450 final year postgraduate students and 75 faculty members attended the programme.

Dr H.C. Honnappa, Principal of the college welcomed, Dr N. Rajendraprasad, IQAC Coordinator and Organizing Secretary proposed vote of thanks and Ms. Sushmitha M.S. and team rendered invocation. Ms. Rakshitha M was the moderator of the inaugural session.

Improvement in online

Yes

It was a new experience for me, and i got some what knowledge of work skills, and how to build confidence to be an entrepreneur.

Good experience with this session and helpfull

It was a great session.

It would be better to conduct such workshops on different topics every month

Nothing its very helpful

Keep conducting programmes like this which encourages students to start new business
