REPORT OF LANGUAGE LAB

2018-2019

The college has a well - functioned language lab that facilitates students to practice the language via computer-based exercises and activities. The language lab interactive courses provide a very different experience from the traditional system of teaching and learning English, offering more advanced features and functionalities. The lab offers the students a structured e-learning environment to practice English in an entertaining and interactive way to acquire the main language skills such as listening, speaking, reading, and writing. The effective use of the lab will enhance their active vocabulary and improve their proficiency in speaking the language.

The English language Lab established in 2007. Language lab is powered by Personality development Software, equipped with 28 computers and audio-visual aids to refine the linguistic skills of the students. The lab can accommodate 28 students at a time and provide adequate facilities for effective teaching and learning of various aspects and skills of English language.
