Report of One day workshop on skill development and interaction with students

Skill development is important in the overall development of a student. Personal development Learning skills will not only increase the opportunities but will also empower an individual. Skills like networking and communication go a long way in aiding the overall development of a person .In this fast-paced world, a single advantage can tip the scales in your favour. Organizations all over the world are also aimed at improving technical and academic skills of students. These initiatives are a welcome change because they allow students and working professionals to actively analyse business paradigms and expand their job opportunities.

On 04/02/2020 Sri Gopala Krishna Shastri, former president, National Institute of Personnel Management, Mysore Chapter addresses students of JSS College of Arts, Commerce and Science, Ooty Road, Mysuru, in the 'Programme on skill development and interaction with students' He said that In today's fast-paced and fiercely competitive world, the significance of skill development for students cannot be overstated. He suggested that it is no longer sufficient to rely solely on traditional academic knowledge. To thrive in the ever-evolving landscape of the job market and to lead a fulfilling life, students must acquire a diverse set of skills. He spoke regarding the various types of skills like technical skills, soft skills, creative skills, problem solving skills etc., and one should acquire during his studies along with the academic achievements for the holistic growth. Entrepreneurship is not limited to starting a business; it's a mindset characterised by innovation, creativity, and the ability to identify and seize opportunities.

National Institute of Personnel Management (NIPM), is the only all India body of professional managers engaged in the profession of Human Resource Management, Industrial

Relations, Labour Welfare, and Training & Development in the country. NIPM is a nonprofit making body devoted to building professional excellence in the field of Human Resource Management through regular activities ranging from Evening Lectures to People Process Quality Certifications.
